

S*****	mirror	cake
Physical	ok	ok
Stakes	Inconsistent, some strong moments but some lines lose the strength -2	The reasons not to eat do not seem very strong . the lure of the cake has moments of strength -5
Connection	good	ok
Text	Mostly specific, but some line remain general and unclear -3	There needs to be more specific use of text throughout -5
Music/vocal	You need to use the voice more expressively in terms of the emotional and dramatic experience, a few places are expressive, but a good deal is sung rather generically -4	Vocally there is very little variation or expression with connection to dramatic or emotional life -6
