

DAY CRUISE WITH CATAMARAN STARTS FROM RETHYMNON

Program

Holidays on a yacht is a great opportunity to enjoy wonderful sea views, have a good time and take a bunch of pictures that will delight you for a long time.

The boat trip starts in the morning from Rethymno Marina*. The tour itinerary is subject to weather conditions. Our catamaran will sail along the coast of Rethymno or we will go to Georgioupoli.

During the cruise, you can go snorkelling, swim on a SUP board or just ride the waves on an inflatable flamingo or unicorn. We provide guests with all the necessary equipment.

On board, we will treat you with Cretan white wine and Mediterranean cuisine from products that we just bought from the local market. Fresh vegetables, fruits, cheese, dorado caught in the morning - we have something to please our guests.

A real adventure awaits you!

*We organise a transfer from any region of Crete for any number of people, on cars of different classes.

Special menu

Especially for our sea excursions, we have created a Mediterranean menu to introduce guests to traditional Cretan cuisine. However, there are times when you want to pamper yourself with something special. We are happy to help you with this.

Lunch or dinner, composed of unusual, gourmet dishes, can turn an individual yacht cruise into a real fairy tale. Take for example, famous Cretan seafood. We can serve lobster, octopus, shrimps, squids or oysters to make the trip not only exciting, but also especially delicious.

We have a special offer for kosher devotees. The menu includes salad, fish, vegetables, fruits. To prepare all of it, we use a separate board, knife and utensils, as well as we follow all necessary rules for storing the food and ready dishes.

Celebration on a yacht often requires an unusual treat. We are happy to fulfill wishes of our guests: to cover the table with lobsters, to bake a 3-tier cake, to serve restaurant-level dishes, anything you might like.

Share your plans when filling out the application. We will calculate the cost and help you make your sailing trip unforgettable.

We know how to organize the perfect vacation!
