## NOVELTY SHOOTS

THE TURBO HOG IS ONE OF OUR FAVORITES! A 3D HOG TARGET IS ATTACHED TO A LINE THAT IS PULLED BACK AND RELEASED FOR A MOVING "TURBO" TARGET!

THE RED DOT SHOOT IS ONE THAT NEEDS TO BE QUALIFIED FOR. A STICKER IS PLACED ON A 3D DEER TARGET AND YOU MUST HIT THE STICKER TO QUALIFY, THEN FOR THE COMPETITIVE SHOOT THE BEST SHOT ON THE STICKER WINS!

THE RABBIT RUN IS NEW THIS YEAR. WE WILL BE TURNING A BIRDIE MACHINE ON ITS SIDE AND LETTING THE ORANGE DISCS GLIDE ACROSS THE GROUND LIKE A RABBIT!

THE HUNTERS COURSE WILL BE COMPETITIVE SCORING THIS YEAR, IF YOU SO CHOOSE. IT CAN ALSO BE SHOT REGULARLY.

THE DEER DONKEY IS A REMOTE CONTROLLED TARGET THAT IS MOVED AROUND THE FIELD AND WHOEVER GETS THE BEST OF THREE SHOTS IS THE DEFEATER OF THIS HALF BREED!

THE WARRIORS COUSE CAN BE SIGNED UP FOR (\$8) DURING REGISTRATION. IT IS A WILD, HOMEMADE COURSE WITH RICHOCET SHOTS, BALLOON SHOTS AND MORE!

REGISTRATION AVAILABLE FRIDAY AFTER SET UP, SATURDAY AND SUNDAY 0800AM
