MEMBERSHIP AGREEMENT TERMS & CONDITIONS (initials required)

_____ (initial) **YOUR BILLING DATE:** A membership fee will automatically be debited from your credit card each month. The day of the debit will be determined by the day on which you have signed up to be drafted. This debit will continue every month thereafter until your membership is terminated in the manner provided below.

_____ (initial) **FOR MY HYDRATIONBAR MEMBERSHIP FEE,** I hereby authorize HydrationBar to charge the amount that I have submitted to the credit card that I have authorized on the date(s) indicated in this membership agreement.

_____ (initial) **MEMBERSHIP SERVICES:** Your membership entitles you to receive only that which is listed within your specific membership package. If you are unable to use your monthly membership, you can defer that month to the end of your membership agreement. You will only be allowed to defer a maximum of 3 months. Your membership date will be extended to reflect that deferral. For example, you have a 12-month membership that starts June 1st, but you are unable to use your membership during August due to unforeseen circumstances. Your card will still be charged in August, but your monthly service will be deferred to the end of your agreement. HydrationBar has the right to cancel this agreement
