## Vocationalisation of Secondary Education

Home (/) » Overview » Vocationalisation of Secondary Education

### Overview

The Centrally Sponsored Scheme of Vocationalisation of Secondary Education provides for diversification of educational opportunities so as to enhance individual employability, reduce the mismatch between demand and supply of skilled manpower and provides an alternative for those pursuing higher education.

The Centrally Sponsored Scheme of Vocationalisation of Secondary Education at + 2 level is being implemented since 1988. The revised scheme is in operation since 1992-93. The Scheme provides for financial assistance to the States to set up administrative structure, area vocational surveys, preparation of curriculum, text book, work book curriculum guides, training manual, teacher training programme, strengthening technical support system for research and development, training and evaluation etc. It also provides financial assistance to NGOs and voluntary organizations towards implementation of specific Innovative projects for conducting short-term courses.

The Scheme, so far, has created infrastructure of 21000 sections in 9619 schools and creating a capacity of about 10 lakh students at + 2 level. The grants released so far since the inception of the scheme is Rs. 765 crore.

Based on the recommendations of various Committees/Review Groups, the existing Scheme is being revised
