Purchased/Referred Care Eligibility Requirements

Tribal Verification: Current tribal verification must be on file. This can be done by submitting your nonexpired Tribal ID or enrollment certificate from your tribe of enrollment. We are happy to assist you; ask about a release to obtain your enrollment information.

Alternate Resources: You must apply for and maintain health coverage per the Indian Health Care Improvement Act, either through your employer or other resources. You can contact our Benefits Department at 715-638-5180 for assistance and agree to keep updated insurance information on file with the LCOCHC Registration Department at all times and notify of any changes in coverage.

Established Care: It is required that you are seen by one of our LCO providers at least once every 12 months and for services that are reasonably accessible and available at the LCOHC. Schedule your appointment with one of our medical providers by calling our scheduling staff at 715-638-5190. We offer prevention, medical home, and walk-in care here at the LCOCHC. We would be honored to meet your service needs.

Service Area: You must reside in our service delivery area; a utility bill or acceptable piece of mail with your residence listed OR a residency affidavit will suffice. The following are requirements to maintain residency eligibility:

Enrolled LCO Tribal Member: Must reside in Sawyer County to be eligible for PRC.

Enrolled in another federally recognized tribe: Must reside within the boundaries of the LCO Reservation to remain eligible for PRC benefits. Members of Canadian tribes are not eligible for PRC as they are not federally recognized.

Please note that if you relocate outside the LCOCHC service area, your PRC benefits will remain in effect for 180 days from the date that you relocate.

Any emergency room visit should be reported to the ER Hotline (715-638-5137) within 72 hours from discharge or thirty (30) days for anyone 55 years of age and up and/or disabled. It is a voicemail record – please inform of your name, date of birth, where you went and when, and a contact number. Reporting is not a guarantee of payment as you must also meet PRC eligibility requirements.

I understand that it is my responsibility to maintain eligibility requirements to continue my PRC benefits at all times and I agree to keep my information current.
