Julie Young  
567 Sesame St.  
Durham, NC 27703

Dear Julie,

55,320 people in Durham County are food insecure. When the local government lacked accessible and reliable information about food relief programs, we stepped in. Open NC Collaborative helped create mobile apps to provide vital information to the 55,320 food insecure people in Durham County. Our End Durham Hunger project provided food pantry locations, directions, hours and requirements to help end hunger in our community. **We could not have done it without your support.**

Since our founding in 2017, Open NC Collaborative has implemented numerous projects to improve North Carolina. As a nonprofit organization, we rely on donations to support these projects. Donations help us impact more North Carolina communities like yours.

Your generous donation of \$50 last year helped support projects like End Durham Hunger. We depend on contributions like yours to positively impact our community. **Your support helps change lives.**

With the coronavirus pandemic impacting our community, we need your help more than ever. We ask that you **please consider donating again** to Open NC Collaborative. With your help, we can create a better future for North Carolina.

We are incredibly thankful for your support of Open NC Collaborative. Your continued support will aid our mission to change North Carolina through technology.

Sincerely,

*Jennifer Miller*
