**Mid-Course Challenge**

Handler must stay behind Blue or Red line while the dog completes the required obstacles to get a multiplier! In order to attain the 3X multiplier the handler must stay behind the Red Line while the dog performs obstacles 2-4 and 8-10 as marked on the map. In order to attain the 1.5X multiplier the handler must stay behind the Blue Line while the dog performs obstacles 3,4 and 8,9 as marked on the map. In addition, all obstacles on the course must be performed without any required corrections to qualify with a multiplier.
