

BAIA LODGE, NEW BRITAIN ISLAND PAPUA NEW GUINEA

Taylor-made fishing trips just for you

BLACK BASS & REEF FISHING PACKAGES

You will be based at Baia Lodge, fishing the several riverine systems that are within 15 minutes to an hour from the Lodge, for the legendary PNG Black Bass and Spot Tail Bass, big Mangrove Jack, Jungle Perch, GT's and other estuarine species.

Access to these areas is with our purpose built 6 meter sport fishing vessels. We have some of the biggest PNG Black Bass on this planet, some exceeding 50lbs!

The surrounding reefs and inshore blue water are home to a myriad of hard-fighting reef and pelagic species. Blue Water inshore fishing can be done out of the lodge using our Baia sport fishing boats.

The ocean also provides excellent offshore deep blue water fishing for a variety of tropical species. However to target the bigger off shore species, our 35 foot Game Boat is also available at an additional charter cost.

SEASON: Best fishing is between June – October.
