What adventures are you planning for 2021 / 2022? Have you thought about joining one of our 'hosted' fishing trips to the Amazon? No!! Then here's 10 reasons why you should...

No 1. Why A 'Hosted' Trip?

When planning your trip to the Amazon, whether for the first time or as a returning client, you need to be 100% sure that you are going to remember the adventure for the right reasons, and your 'host' is there every step of the way to ensure just that. From the date of initial contact, your 'host' will be working in the background, alongside our local partners to make sure all the arrangements are in place, from hotels and transfers to internal flights and readiness of the fishing camps. Your 'host' will be there to meet and greet, and will remain with you throughout the trip, providing help, support, tackle tips and advice. Just remember, Amazon-Angler has over 20 years' experience of fishing the Amazon, so you will be in great hands....

No 2. If you want Catfish?

No river system, anywhere in the world is as rich as the waters of the Amazon, with over 3,000 different fish species. And did you know, almost half of them are Catfish!

Check out some of our catches....

Piraiba (Lau Lau)

Jau

Surubim

Redtail

Our top destinations for Catfish

- ✓ **Jaguar Camp**, the River Essequibo, Guyana. (For all the big Catfish Species). 🇬🇪
- ✓ **Arapaima Paradise Lodge**, Bolivia (Huge Jau, Redtail, Surubim and other species). 🇧🇴

Note: also, Brazil and Colombia, but they are not generally a targeted species...

No 3. If you want Arapaima?

'If you've caught an Arapaima from within its natural habitat, you will have truly experienced all that is the Amazon'....

Seen as the 'holy grail' for Amazon sport fishing, these incredible fish can be taken on the fly, the lure or on 'live or cut-bait'. Make sure your patience, stalking skills and tackle are at their best, they are cunning, stealthy, and immensely powerful but once hooked, provide the most outstanding sport you can imagine.

Check out some of our catches....

Our top destinations for Arapaima

- ✓ **Jaguar Camp**, the River Essequibo, Guyana. (Lakes & Lagoons off the main river). 🇬🇪
- ✓ **Arapaima Paradise Lodge**, Bolivia (Literally hundreds of lagoons packed with Arapaima). 🇧🇴

No 4. If you want non-stop action?

Across all our trips, you will find the ultimate in predator action, from Peacock Bass, and Payara, to Bicuda, Arowana and many more.... At Amazon-Angler, we are privileged to have access to some of the most pristine and fish prolific waters in the region, and will connect you to some of the most intense and adrenaline fuelled angling action you can imagine.

No 5. If you want Peacock Bass?

With explosive top water and sub-surface action, these are the true 'bully boys' of the Amazon and for many of our clients are one of their most sought-after trophy species...

Check out some of our catches....

Our top destinations for Peacock Bass

- ✓ Fly-in Cabaçeras, Brazil. 
- ✓ Fly-in Headwaters Peacock Bass trip, Brazil. 
- ✓ Floating lodge, Rio Preto, Brazil. 
- ✓ Rio Abacaxí, Brazil. 
- ✓ Rio Tuparro, Colombia. 
- ✓ Caño Bocón, Colombia. 
- ✓ Jaguar Camp, River Essequibo Guyana. 

No 6. If you want Predators?

Some of the most incredible predators live within the Amazon basin, many of which you will know, like the Piranha, but there are more which may be new to you....

Check these out....

And the list goes on...

Our top destinations for Predators

All our trips will provide the opportunity to catch a diverse range of predatory species, some seen as bi-catch, others viewed as target species, but all provide terrific action....

No 7. If you want unusual?

Throughout the Amazon, we have some incredibly unique species, again, some you will have seen or heard of, and others will be new to you. A number also require special care, and that's where our expert local guides come in....

Where can you catch these?

Wherever you fish there are opportunities to catch other species, Pacu, Manixã, Jacunda, Pescada and a whole range of smaller catfish species. And let's not forget the unusual, Freshwater Stingrays, Electric Eels, Knife Fish, Dogfish and even some of the incredibly pretty *Leporinus.sp.* You never know, you may even catch a brand new and unclassified species as was the case in 2020 with the confirmation of a new species of Peacock Bass [*C.cataractae*]. Each of our trips and every location provides endless opportunity, whether in Brazil, Bolivia, Guyana, Colombia, Argentina etc.

No 8. If you want amazing waters and diverse angling scenarios?

- Rock Gardens ✓
- Sandbars ✓
- Deep Holes ✓
- Lakes & Lagoons ✓
- Rapids ✓
- Clearwater, Blackwater & Whitewater ✓
