Lotus Mortuary

2939 E. 95th St. Chicago, IL. 60617
Ph: (312)801-6000 Fax: (312)820-8130

FAMILY:

We fully dress the deceased to preserve their dignity and help them look as they would in life. As a general rule, the clothing is not returned to the family, however jewelry and other items that are displayed in the casket can either be returned or left with the deceased.

You may bring the clothing with you to the arrangement meeting or bring it to the funeral home later. However, we do prefer the clothing by 12 noon at least one day before the visitation. If you have any questions, please call our office at (312) 801-6000.

Clothing for the deceased should include:

- Long sleeve and a high neckline
- Undergarments - including underwear, socks, t-shirt, bra, stockings, etc. as appropriate
- Shoes (optional)
- Glasses, a wig or a hairpiece (if normally worn)
- A **recent** photo (doesn't have to be posed) to be used for hair and make-up
(You can email photo to info@lotusmortuary.com)
- Jewelry, a rosary or any other item to be placed in the casket.

All items (clothing, jewelry, etc.) will be inventoried by a Lotus Mortuary staff member when you bring them in. We will ask you to sign the inventory list before you leave to ensure we have itemized all the pieces.
