The Board of Directors of the Company has by resolution fixed the close of business on July 26, 2024 as the record date, being the date for the determination of the registered holders of common shares of the Company entitled to notice of and to vote at the Meeting and any adjournment(s) thereof.

The Meeting materials will be available on the Company’s website for one full year.

INFORMATION CIRCULAR

(As at August 1, 2024, except as indicated)

Mantra Exploration Inc. (the "**Company**") is providing this Information Circular (the "**Information Circular**") and a form of proxy in connection with management's solicitation of proxies for use at the annual general meeting (the "**Meeting**") of the shareholders of the Company (the "**Shareholders**") to be held at the offices of DuMoulin Black LLP, 15th Floor, 1111 West Hastings Street, Vancouver, British Columbia, on September 11, 2024 at 10:20 a.m. (Vancouver Time). APPOINTMENT OF PROXYHOLDER

The purpose of a proxy is to designate persons who will vote the proxy on a Shareholder's behalf in accordance with the instructions given by the Shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy are officers or directors of the Company (the "**Management Proxyholders**").

A Shareholder has the right to appoint a person other than a Management Proxyholder, to represent the Shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person's name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a Shareholder.

VOTING BY PROXY

Only registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Common shares of the Company ("**Shares**") represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.

If a Shareholder does not specify a choice and the Shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The enclosed form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

COMPLETION AND RETURN OF PROXY

Completed forms of proxy must be deposited at the office of the Company's registrar and transfer agent, Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting or any adjournment(s) thereof, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

NON-REGISTERED HOLDERS

Only registered Shareholders or persons they appoint as their proxies are permitted to vote at the Meeting. Registered Shareholders are holders of the Company whose names appear on the Share register of the Company and are not held in the name of a brokerage firm, bank or trust company through which they purchased Shares. Whether or not you are able to attend the Meeting, Shareholders are requested to vote their proxy in accordance with the instructions on the proxy. Most Shareholders are "non-registered" Shareholders ("**Non-Registered Shareholders**") because the Shares they own are not registered in their names but instead registered in the name of a nominee (a "**Nominee**") such as a brokerage firm through which they purchased the Shares. The Company's Shares beneficially owned by a Non-Registered Shareholder are registered either: (i) in the name of an intermediary (an "**Intermediary**") that the Non-Registered Shareholder deals with in respect of their Shares of the Company (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFFs, RESPs and similar plans); or (ii) in the name of a clearing agency (such as The Canadian Depository for Securities Limited or The Depository Trust & Clearing Corporation) of which the Intermediary is a participant.

There are two kinds of beneficial owners: those who object to their name being made known to the issuers of securities which they own (called "**OBOs**" for Objecting Beneficial Owners) and those who do not object (called "**NOBOs**" for Non-Objecting Beneficial Owners).

The Company is not sending the Meeting materials directly to NOBOs in connection with the Meeting, but rather has distributed copies of the Meeting materials to the Nominees for distribution to NOBOs. The Company does not intend to pay for Nominees to deliver the Meeting materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* to OBOs. As a result, OBOs will not receive the Meeting Materials unless their Nominee assumes the costs of delivery.

NOTICE-AND-ACCESS

The Company has elected to use the notice and access provisions ("**Notice and Access Provisions**") for the Meeting pursuant to National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**") with respect to the mailing to its non-registered (beneficial) shareholders. The Notice and Access Provisions allow the Company to post proxy-related materials both on SEDAR+ and a non-SEDAR+ website, rather than delivering the materials by mail. Shareholders will receive a Notice of Meeting and a form of proxy or voting instruction form and may choose to receive a printed paper copy of the Information Circular.

The Company is not using procedures known as 'stratification' in relation to the Notice and Access Provisions. Stratification occurs when a reporting issuer using the Notice and Access Provisions provides a paper copy of the Information Circular to some, but not all, shareholders with the Notice of Meeting.

REVOCABILITY OF PROXY

In addition to revocation in any other manner permitted by law, a Shareholder, his or her attorney authorized in writing or, if the Shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of the Company, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue unlimited Shares without par value, of which **48,124,651** Shares were issued and outstanding as at the record date of July 26, 2024 (the "**Record Date**"). Persons who are registered Shareholders at the close of business on the Record Date will be entitled to receive notice of and vote at the Meeting and will be entitled to one vote for each Share held.

To the knowledge of the directors and executive officers of the Company, no person beneficially owns, controls or directs, directly or indirectly, voting securities of the Company carrying 10% or more of the voting rights attached to any class of voting securities of the Company, except the following:

<i>Name</i>	<i>No. of Shares Beneficially Owned, Controlled or Directed, Directly or Indirectly⁽¹⁾</i>	<i>Percentage of Outstanding Shares</i>

The directors of the Company are elected at each annual general meeting and hold office until the next annual general meeting or until their successors are appointed. Shareholder approval will be sought to fix the number of directors of the Company at four (4). **In the absence of instructions to the contrary, the enclosed proxy will be voted to set the number of directors of the Company at four (4) and for the nominees herein listed.**

Oversight and Description of Director and NEO Compensation

The objective of the Company's compensation program is to compensate the directors and executive officers for their services to the Company at a level that is both in line with the Company's fiscal resources and competitive with companies at a similar stage of development. The primary goal of the Company's executive compensation program is to:

- (a) attract and retain the qualified key executives necessary for the Company's long term success;
- (b) motivate the short term and long term performance of those executives; and
- (c) align the executives interests with the Company's Shareholders.

The Company's compensation strategy is focused on a performance based incentive reward package, using certain critical measurements that management is able to influence toward the short-term and long-term objectives of the Company.

The significant elements of compensation awarded to, earned by, paid or payable to the NEOs for the most recently completed financial year were: (i) base salary; (ii) bonus and other annual incentive awards; and (iii) other compensations, perquisites. No compensation is directly tied to a specific performance goal such as a milestone or the completion of a transaction. No peer group is formally used to determine compensation.

Cash bonuses are structured to reward business excellence and operation outperformance, based on objective and subjective performance assessments and performance benchmark ratings assessed and approved by the board of directors of the Company (the "**Board**"). The assessment is focused on the key performance indicators both for overall performance of the Company and for individual performance. The key indicators for determining the Company's performance included improvement of retailer product distribution, geographic expansion and product development, which are primary factors leading to steady growth of the Company's assets and Shareholders' value. The measurements for individuals' performance were focused on (1) leadership, including five areas: vision, initiatives, creativity, flexibility and supervision skills; and (2) deliverables, including the team, products, communication and reporting and documentation.

The general terms and conditions of the Option Plan are set out below.

Summary of Option Plan

The Option Plan shall be administered by the Board, which shall, without limitation, have full and final authority in its discretion, but subject to the express provisions of the Option Plan, to interpret the Option Plan, to prescribe, amend and rescind rules and regulations relating to it and to make all other determinations deemed necessary or advisable for the administration of the Option Plan, subject to any necessary shareholder or regulatory approval. The Board may delegate any or all of its authority with respect to the administration of the Option Plan. The Board shall determine to whom Options shall be granted, the terms and provisions of the respective option agreements, the time or times at which such Options shall be granted and vested, and the number of Shares to be subject to each Option.

The material terms of the Option Plan are qualified in their entirety by the full text of the Option Plan. Under the Option Plan, Options will be exercisable over periods of up to 10 years as determined by the Board. The exercise price of any Option may not be less than the greater of the closing market price of the Shares on: (i) the trading day prior to the date of grant of the Option; and (ii) the grant date of the

Option, less any applicable discount allowed by the CSE or any other stock exchange on which the Shares are listed for trading.

The maximum number of Shares which may be issued pursuant to Options granted under the Option Plan is 10% of the issued and outstanding Shares at the time of the grant, provided that the Shares are listed on the CSE or any other stock exchange at the time of grant. In addition, the number of Shares which may be issuable under the Option Plan and all of the Company's other previously established or proposed share compensation arrangements, within a one-year period:

- (i) to any one Optionee must not exceed (without the requisite disinterested shareholder approval) 5% of the total number of issued and outstanding Shares on a non-diluted basis;
- (ii) to all insiders of the Company (as a group) must not exceed 10% of the total number of issued and outstanding Shares, on a non-diluted basis, at the time of the grant;
- (iii) to any one consultant must not exceed 2% in the aggregate of the total number of issued and outstanding Shares, on a non-diluted basis, at the time of the grant;
- (iv) to all Optionees who undertake investor relation activities must not exceed 1% in the aggregate of the total number of issued and outstanding Shares, on a non-diluted basis, at the time of the grant.

The Option Plan permits the Board to specify a vesting schedule in its discretion, subject to minimum vesting requirements imposed by the CSE or any such other stock exchange on which the Shares are listed for trading. Unless otherwise specified by the Board at the time of granting an Option, and subject to the other limits on grants set out in the Option Plan, all Options granted under the Option Plan shall vest and become exercisable in full upon grant, except Options granted to Optionees performing investor relations activities to the Company, which Options must vest in stages over not less than twelve months, with no more than one-quarter of the Options vesting in any three month period.

The Option Plan provides that if a change of control (as defined in the Option Plan) occurs, or if the Company is subject to a take-over bid, all Shares subject to Options shall immediately become vested and may thereupon be exercised in whole or in part by the Option holder. The Board may also accelerate the expiry date of outstanding Options in connection with a take-over bid.

The Option Plan contains adjustment provisions with respect to outstanding Options in cases of share reorganizations, special distributions and other corporation reorganizations including a transaction under which all or substantially all of the undertaking and assets of the Company become the property of another corporation.

The Option Plan provides that on the death or disability of an Optionee, all vested Options will expire at the earlier of 365 days after the date of death or disability and the expiry date of such Options. Where an Optionee is terminated for cause, any outstanding Options (whether vested or unvested) are cancelled as of the date of termination. If an Optionee retires or voluntarily resigns or is otherwise terminated by the Company other than for cause, then all vested options held by such Optionee will expire at the earlier of (i) the expiry date of such Options and (ii) the date which is 90 days after the Optionee ceases its office, employment or engagement with the Company.

In accordance with good corporate governance practices and as recommended by National Policy 51-201 – *Disclosure Standards*, the Company shall impose black-out periods restricting the trading of its securities by directors, officers, employees and consultants during periods surrounding the release of annual and interim financial statements and at other times when deemed necessary by management and the Board. In order to ensure that holders of outstanding Options are not prejudiced by the imposition of such black-out periods, the Option Plan contains a provision to the effect that any outstanding Options with an expiry date occurring during a trading black-out period will be automatically extended to a date that is 10 business days following the date that the trading black-out period is lifted by the Company.

The Options granted under the Option Plan are non-assignable and non-transferable. Subject to required shareholder approval and the approval of the CSE, or any other stock exchange on which the Shares are listed, if applicable, the Board may from time to time amend or revise the terms of the Option Plan or of any Option granted under the Option Plan or may terminate the Option Plan at any time.

Shareholders are being asked to pass an ordinary resolution to approve the Option Plan as approved by the Board which permits the issuance of up to 10% of the issued and outstanding Shares from time to time. To be effective, the resolution must be passed by a simple majority of the votes cast thereon by Shareholders present in person or by proxy at the Meeting. If the resolution to approve the Option Plan is not approved by the Shareholders, the Company will not be permitted to make any Option grants until Shareholder approval is obtained.

Shareholders will be asked to consider and, if thought advisable, pass an ordinary resolution, in substantially the following form, to approve the Option Plan.

"BE IT RESOLVED AS AN ORDINARY RESOLUTION THAT:

1. the Option Plan of the Company, as approved for adoption by the Board of Directors, and as described in the Company's management information circular dated August 1, 2024, be and is hereby approved and ratified, and the Company be and is hereby authorized to reserve for issuance pursuant to the Option Plan up to 10% of the issued and outstanding common shares of the Company from time to time;
2. the Board of Directors be and is hereby authorized on behalf of the Company to make any amendments to the Option Plan as may be required by regulatory authorities or otherwise made necessary by applicable legislation, without further approval of the shareholders of the Company, in order to ensure the adoption and efficient function of the Option Plan; and
3. any director or officer of the Company be and is hereby authorized and directed to do such things and to execute and deliver all such instruments, deeds and documents, and any amendments thereto, as may be necessary or advisable in order to give effect to the foregoing resolutions, and to complete all transactions in connection with the implementation of the Option Plan."

The Board believes the passing of the foregoing ordinary resolution is in the best interests of the Company and recommend that the Shareholders vote **IN FAVOUR** of the resolution. **In the absence of**

contrary instruction, the person(s) designated by management of the Company in the enclosed form of proxy intended to vote IN FAVOUR of the approval of the Option Plan.

Notwithstanding the foregoing, even if the Option Plan is approved by the Shareholders at the Meeting, adoption of the Option Plan is conditional upon: (i) approval of plan by the CSE; and (ii) listing of the Shares on the CSE, and further the Company may elect not to proceed with adoption of the Option Plan in its sole discretion.

The number of Shares reserved for issuance under the Plan and all of the Company's other previously established or proposed share compensation arrangements:

- (a) in aggregate shall not exceed 10% of the total number of issued and outstanding shares on a non-diluted basis; and
- (b) to any one Optionee within a 12-month period shall not exceed 5% of the total number of issued and outstanding shares on a non-diluted basis (unless otherwise approved by the disinterested shareholders of the Company).

The number of Shares which may be issuable under the Plan and all of the Company's other previously established or proposed share compensation arrangements, within a one-year period:

- (a) to all Insiders shall not exceed 10% of the total number of issued and outstanding shares on the Grant Date on a non-diluted basis;
- (b) to any one Optionee, shall not exceed 5% of the total number of issued and outstanding Shares on the Grant Date on a non-diluted basis (unless otherwise approved by the disinterested shareholders of the Company);
- (c) to any one Consultant shall not exceed 2% in the aggregate of the total number of issued and outstanding Shares on the Grant Date on a non-diluted basis; and
- (d) to all Eligible Persons who undertake Investor Relations Activities shall not exceed 1% in the aggregate of the total number of issued and outstanding Shares on the Grant Date on a non-diluted basis, which Options must be vested in stages over not less than 12 months and no more than one-quarter (1/4) of such Options may be vested in any three (3) month period. The Company must publicly announce by press release at the time of the grant, any Options granted to Eligible Persons who undertake Investor Relations Activities.

3.3 Option Agreements

Each Option shall be confirmed by the execution of an Option Agreement. Each Optionee shall have the option to purchase from the Company the Option Shares at the time and in the manner set out in the Plan and in the Option Agreement applicable to that Optionee. For stock options to Employees, Consultants, Consultant Company or Management Company Employees, each of the Company and the Optionee is representing herein and in the applicable Option Agreement that the Optionee is a bona fide Employee, Consultant, Consultant Company or Management Company Employee, as the case may be, of the Company or its subsidiary. The execution of an Option Agreement shall constitute conclusive evidence that it has been completed in compliance with this Plan.

4. EXERCISE OF OPTION

4.1 When Options May be Exercised

Subject to subsections and 4.4 and 4.5, an Option shall be granted as fully Vested on the Grant Date, and may be exercised to purchase any number of Shares up to the number of Unissued Option Shares at any time after the Grant Date, provided that this Plan has been previously approved by the shareholders of the Company, where such prior approval is required by Exchange policies, up to 4:00 p.m. local time on the Expiry Date and shall not be exercisable thereafter.

4.2 Manner of Exercise

The Option shall be exercisable by delivering to the Company a notice specifying the number of Shares in respect of which the Option is exercised together with payment in full of the Option Price for each such Share. Upon notice and payment there will be binding contract for the issue of the Shares in respect of which the Option is exercised, upon and subject to the provisions of the Plan. Delivery of the Optionee's certified cheque or bank draft payable to the Company in the amount of the Option Price shall constitute payment of the Option Price unless the certified cheque is not honoured upon presentation for any reason, in which case the Option shall not have been validly exercised.

4.3 Tax Withholding and Procedures

Notwithstanding anything else contained in this Plan, the Company may, from time to time, implement such procedures and conditions as it determines appropriate with respect to the withholding and remittance of taxes imposed under applicable law, or the funding of related amounts for which liability may arise under such applicable law. Without limiting the generality of the foregoing, an Optionee who wishes to exercise an Option must, in addition to following the procedures set out in 4.2 and elsewhere in this Plan, and as a condition of exercise:

- (a) deliver a certified cheque, wire transfer or bank draft payable to the Company for the amount determined by the Company to be the appropriate amount on account of such taxes or related amounts; or
- (b) otherwise ensure, in a manner acceptable to the Company (if at all) in its sole and unfettered discretion, that the amount will be securely funded;

and must in all other respects follow any related procedures and conditions imposed by the Company.

4.4 Vesting of Option Shares

An Option shall be granted hereunder as fully Vested, unless a vesting schedule is imposed by the Board as a condition of the grant on the Grant Date; and provided that if the Option is being granted to an Eligible Person who is providing Investor Relations Activities to the Company, then the Option must vest in stages over not less than 12 months and no more than one-quarter (1/4) of such Options may be vested in any three (3) month period.

4.5 Termination of Employment

If an Optionee ceases to be an Eligible Person, his or her Option shall be exercisable as follows:

(a) Death or Disability

If the Optionee ceases to be an Eligible Person, due to his or her death or Disability or, in the case of an Optionee that is a company, the death or Disability of the person who provides management or consulting services to the Company or to any entity controlled by the Company, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of:

- (i) 365 days after the date of death or Disability; and
- (ii) the Expiry Date.

(b) Termination For Cause

If the Optionee, or in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person as a result of termination for cause, as that term is interpreted by the courts of the jurisdiction in which the Optionee, or, in the case of a Management Company Employee or a Consultant Company, of the Optionee's employer, is employed or engaged; any outstanding Option held by such Optionee on the date of such termination shall be cancelled as of that date.

(c) Early Retirement, Voluntary Resignation or Termination Other than For Cause

If the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person due to his or her retirement at the request of his or her employer earlier than the normal retirement date under the Company's retirement policy then in force, or due to his or her termination by the Company other than for cause, or due to his or her voluntary resignation, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of the Expiry Date and the date which is 90 days (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the Optionee at any time prior to expiry of the Option) after the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person.

4.6 Effect of a Take-Over Bid

If a *bona fide* offer (an “Offer”) for Shares is made to the Optionee or to shareholders of the Company generally or to a class of shareholders which includes the Optionee, which Offer, if accepted in whole or in part, would result in the offeror becoming a control person of the Company, within the meaning of subsection

1(1) of the Securities Act, the Company shall, immediately upon receipt of notice of the Offer, notify each Optionee of full particulars of the Offer, whereupon the Option Shares subject to such Option may be exercised in whole or in part by the Optionee so as to permit the Optionee to tender the Option Shares received upon such exercise, pursuant to the Offer.

4.7 Acceleration of Expiry Date

If at any time when an Option granted under the Plan remains unexercised with respect to any Unissued Option Shares, an Offer is made by an offeror, the Directors may, upon notifying each Optionee of full particulars of the Offer, declare all Option Shares issuable upon the exercise of Options granted under the Plan, are Vested (subject to the proviso below), and declare that the Expiry Date for the exercise of all unexercised Options granted under the Plan is accelerated so that all Options will either be exercised or will expire prior to the date upon which Shares must be tendered pursuant to the Offer, PROVIDED THAT where an Option was granted to a Consultant providing Investor Relations Activities, the Directors declaration that Option Shares issuable upon the exercise of such Options granted under the Plan be Vested with respect to such Option Shares, is subject to prior approval of the Exchange. The Directors shall give each Optionee as much notice as possible of the acceleration of the Options under this section, except that not less than 5 business days and not more than 35 days notice is required.

4.8 Effect of a Change of Control

If a Change of Control occurs, all Option Shares subject to each outstanding Option may be exercised in whole or in part by the Optionee.

4.9 Exclusion From Severance Allowance, Retirement Allowance or Termination Settlement

If the Optionee, or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, retires, resigns or is terminated from employment or engagement with the Company or any subsidiary of the Company, the loss or limitation, if any, by the cancellation of the right to purchase Option Shares under the Option Agreement shall not give rise to any right to damages and shall not be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Optionee.

4.10 Shares Not Acquired or Exercised

Any Unissued Option Shares not acquired by an Optionee under an Option which has expired, and any Option Shares acquired by an Optionee under an Option when exercised, may be made the subject of a further Option granted pursuant to the provisions of the Plan.

4.11 Extension of Term During Trading Black Out

In the event the Expiry Date of an Option falls on a date during a trading black out period that has been self-imposed by the Company, the Expiry Date of the Option will be extended to the 10th business day following the date that the self-imposed trading black out period is lifted by the Company. For greater certainty, the Expiry Date of an Option will not be extended in the event a cease trade order is issued by a securities regulatory authority against the Company or an Optionee.

5. ADJUSTMENT OF OPTION PRICE AND NUMBER OF OPTION SHARES

5.1 Share Reorganization

Whenever the Company issues Shares to all or substantially all holders of Shares by way of a stock dividend or other distribution, or subdivides all outstanding Shares into a greater number of Shares, or combines or consolidates all outstanding Shares into a lesser number of Shares (each of such events being herein called a “**Share Reorganization**”) then effective immediately after the record date for such dividend or other distribution or the effective date of such subdivision, combination or consolidation, for each Option:

- (a) the Option Price will be adjusted to a price per Share which is the product of:
 - (i) the Option Price in effect immediately before that effective date or record date; and
 - (ii) a fraction, the numerator of which is the total number of Shares outstanding on that effective date or record date before giving effect to the Share Reorganization, and the denominator of which is the total number of Shares that are or would be outstanding immediately after such effective date or record date after giving effect to the Share Reorganization; and
- (b) the number of Unissued Option Shares will be adjusted by multiplying (i) the number of Unissued Option Shares immediately before such effective date or record date by (ii) a fraction which is the reciprocal of the fraction described in subparagraph (a)(ii).

5.2 Special Distribution

Subject to the prior approval of the Exchange, whenever the Company issues by way of a dividend or otherwise distributes to all or substantially all holders of Shares:

- (a) shares of the Company, other than the Shares;
- (b) evidences of indebtedness;
- (c) any cash or other assets, excluding cash dividends (other than cash dividends which the Board of Directors of the Company has determined to be outside the normal course); or
- (d) rights, options or warrants,

then to the extent that such dividend or distribution does not constitute a Share Reorganization (any of such non-excluded events being herein called a “**Special Distribution**”), and effective immediately after the record date at which holders of Shares are determined for purposes of the Special Distribution, for each Option the Option Price will be reduced, and the number of Unissued Option Shares will be correspondingly increased, by such amount, if any, as is determined by the Board in its sole and unfettered discretion to be appropriate in order to properly reflect any diminution in value of the Option Shares as a result of such Special Distribution.

5.3 Corporate Organization

Whenever there is:

- (a) a reclassification of outstanding Shares, a change of Shares into other shares or securities, or any other capital reorganization of the Company, other than as described in subsections 5.1 or 5.2;

- (b) a consolidation, merger or amalgamation of the Company with or into another corporation resulting in a reclassification of outstanding Shares into other shares or securities or a change of Shares into other shares or securities; or
- (c) a transaction whereby all or substantially all of the Company's undertaking and assets become the property of another corporation,

(any such event being herein called a “**Corporate Reorganization**”) the Optionee will have an option to purchase (at the times, for the consideration, and subject to the terms and conditions set out in the Plan) and will accept on the exercise of such option, in lieu of the Unissued Option Shares which he would otherwise have been entitled to purchase, the kind and amount of shares or other securities or property that he would have been entitled to receive as a result of the Corporate Reorganization if, on the effective date thereof, he had been the holder of all Unissued Option Shares or if appropriate, as otherwise determined by the Directors.

5.4 Determination of Option Price and Number of Unissued Option Shares

If any questions arise at any time with respect to the Option Price or number of Unissued Option Shares deliverable upon exercise of an Option following a Share Reorganization, Special Distribution or Corporate Reorganization, such questions shall be conclusively determined by the Company's auditor, or, if they decline to so act, any other firm of Certified Professional Accountants in Vancouver, British Columbia, that the Directors may designate and who will have access to all appropriate records and such determination will be binding upon the Company and all Optionees.

5.5 Regulatory Approval

Any adjustment to the Option Price or the number of Unissued Option Shares purchasable under the Plan pursuant to the operation of any one of subsection 5.1, 5.2 or 5.3 is subject to the approval of the Exchange where required pursuant to their policies, and compliance with the applicable securities rules or regulations of any other governmental authority having jurisdiction.

6. MISCELLANEOUS

6.1 Right to Employment

Neither this Plan nor any of the provisions hereof shall confer upon any Optionee any right with respect to employment or continued employment with the Company or any subsidiary of the Company or interfere in any way with the right of the Company or any subsidiary of the Company to terminate such employment.

6.2 Necessary Approvals

The Plan shall be effective immediately upon the approval of the Board of directors of the Company, where the Company is a non-reporting issuer. If the Company is a reporting issuer whose Shares are listed on any Exchange, then the Plan shall be effective only upon the approval of the shareholders of the Company given by way of an ordinary resolution of the disinterested shareholders in the case of a new Plan, and the written acceptance of the Plan by the Exchange where such prior approval is required by the policies of the Exchange. Any Options granted under this Plan before such approval shall only be exercised upon the receipt of such approval, where it is required by the policies of the Exchange. The obligation of the Company to sell and deliver Shares in accordance with the Plan is subject to compliance with the policies of the Exchange and applicable securities rules or regulations of any governmental authority having jurisdiction. If any Shares cannot be issued to any Optionee for any reason, including, without limitation, the failure to comply with such policies, rules or regulations, then the obligation of the Company to issue such Shares shall terminate and any

Option Price paid by an Optionee to the Company shall be immediately refunded to the Optionee by the Company.

6.3 Administration of the Plan

The Directors shall, without limitation, have full and final authority in their discretion, but subject to the express provisions of the Plan, to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations deemed necessary or advisable in respect of the Plan. Except as set forth in subsection 5.4, the interpretation and construction of any provision of the Plan by the Directors shall be final and conclusive. Administration of the Plan shall be the responsibility of the appropriate officers of the Company and all costs in respect thereof shall be paid by the Company.

6.4 Income Taxes

As a condition of and prior to participation of the Plan any Optionee shall on request authorize the Company in writing to withhold from any remuneration otherwise payable to him or her any amounts required by any taxing authority to be withheld for taxes of any kind as a consequence of his or her participation in the Plan.

6.5 Amendments to the Plan

The Directors may from time to time, subject to applicable law and to the prior approval, if required, of the Exchange or any other regulatory body having authority over the Company or the Plan, suspend, terminate or discontinue the Plan at any time, or amend or revise the terms of the Plan or of any Option granted under the Plan and the Option Agreement relating thereto, provided that no such amendment, revision, suspension, termination or discontinuance shall in any manner adversely affect any option previously granted to an Optionee under the Plan without the consent of that Optionee. Any amendments to the Plan or options granted to Insiders thereunder will be subject to the approval of the shareholders, where such approval is required by the policies of the Exchange.

6.6 Form of Notice

A notice given to the Company shall be in writing, signed by the Optionee and delivered to the head business office of the Company.

6.7 No Representation or Warranty

The Company makes no representation or warranty as to the future market value of any Shares issued in accordance with the provisions of the Plan.

6.8 Compliance with Applicable Law

If any provision of the Plan or any Option Agreement contravenes any law or any order, policy, by-law or regulation of any regulatory body or Exchange having authority over the Company or the Plan, then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.

6.9 No Assignment

No Optionee may assign any of his or her rights under the Plan or any Option granted thereunder.

6.10 Rights of Optionees

An Optionee shall have no rights whatsoever as a shareholder of the Company in respect of any of the Unissued Option Shares (including, without limitation, voting rights or any right to receive dividends, warrants or rights under any rights offering).

6.11 Conflict

In the event of any conflict between the provisions of this Plan and an Option Agreement, the provisions of this Plan shall govern.

6.12 Governing Law

The Plan and each Option Agreement issued pursuant to the Plan shall be governed by the laws of the Province of British Columbia.

6.13 Time of Essence

Time is of the essence of this Plan and of each Option Agreement. No extension of time will be deemed to be or to operate as a waiver of the essentiality of time.

6.14 Entire Agreement

This Plan and the Option Agreement sets out the entire agreement between the Company and the Optionees relative to the subject matter hereof and supersedes all prior agreements, undertakings and understandings, whether oral or written.
