MAY 2026

Advancing Safety Across the District

Safety continues to be a top priority in the Metro District, and the dedicated officers and leadership at the Cactus Park Precinct and PPD Real Time Crime Center are keeping our community safe. Through ongoing collaboration and proactive efforts, new security initiatives are being introduced to further enhance safety throughout the Metro District and surrounding areas.

We invite you to join us at our May community meeting, where Sgt. Feher of the PPD Real Time Crime Center will share in-depth details on these new initiatives, how they work, and the positive impact they will have on our businesses, residents, and visitors.

It's a great opportunity to stay informed, ask questions, and be part of the conversation surrounding the future of safety in our community. Please find the May community meeting details below.

Local Business Spotlight

A longtime Arizona favorite, Filiberto's has become a go-to spot for classic local comfort food, quick bites, and late-night cravings in the Metro District. Conveniently located in the heart of the area, the restaurant continues to serve residents, workers, and visitors with the flavors that have made it a Valley staple for years.

Be sure to stop by 10227 N. Metro Pkwy, Phoenix, and support one of the local businesses helping make the Metro District a fantastic place to eat, work, and connect.

Recent News

Community Meeting Legislative Update: HB2720

During our recent community meeting, residents and stakeholders discussed HB2720 and its potential impact on community safety efforts across Phoenix, including within the Metro District. The bill focuses on strengthening Arizona’s response to human trafficking by creating additional funding for prevention initiatives, victim services, and enforcement efforts through the state’s Anti-Human Trafficking Fund.

For the Metro District, legislation like HB2720 supports broader public safety and community revitalization goals by helping provide additional resources aimed at reducing trafficking activity, supporting vulnerable individuals, and strengthening partnerships between law enforcement and community organizations.

As of the latest legislative update, HB2720 has passed through the Arizona House and is currently moving through the Senate process. The bill was officially engrossed on March 11th, and most recently received a “Do Pass” recommendation from the Senate minority caucus on March 31st. It remains active in the legislative process as lawmakers continue reviewing the proposal during the 2026 Arizona legislative session.
