

Par for Progress in the Metro District

This month, community members came together in a show of friendly competition for the 2nd annual Metro Masters at one of the Valley's most iconic mini golf destinations, [Castles and Coasters](#). The event featured an 18-hole competition, with both team and individual champions crowned.

The MDCC extends its thanks to local businesses, first responders, and project partners for contributing to a fun-filled day on the course, and a special shoutout to the [DoubleTree by Hilton Phoenix North](#) for serving as the event's Fairway Legend sponsor.

The Metro Masters underscores the importance of community gatherings in strengthening connection, restoring local pride, and building momentum for the ongoing revitalization of the Metro District.

Terra Court Expected to go Vertical in Q2 2027

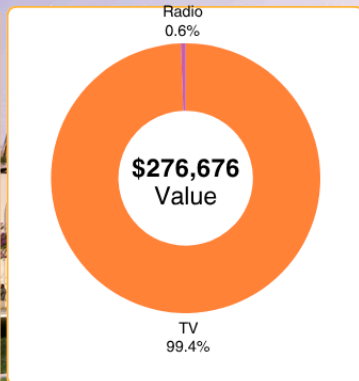

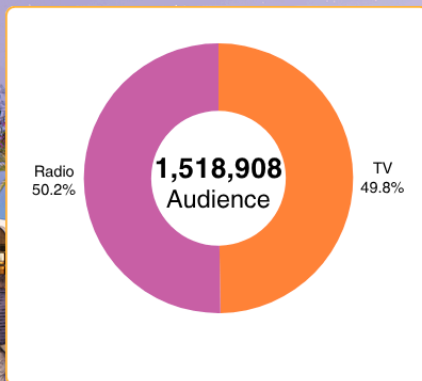

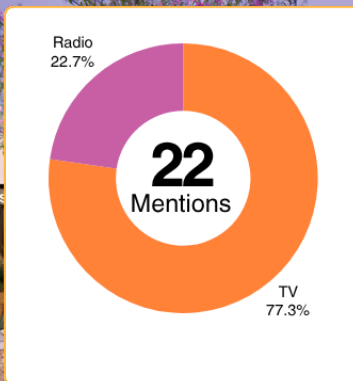

Plans for the first phase of residential construction at The Metropolitan site are moving forward, with Terra Court expected to be the first project to rise within the development.

Construction is anticipated to go vertical in the second quarter of 2027, positioning Terra Court as an early step in bringing new housing to the district due to its reduced infrastructure requirements.

The project will be located just south of the light rail line near Walmart, marking a visible milestone in the area's ongoing transformation.
