- You may register the project and pay by credit card the \$175.00 filing fee online with TDLR. There is a \$25.00 administrative fee if you would like us to register for you. <https://www.tdlr.texas.gov/TABS>
- Fees for services must be paid in advance.
- Travel fees outside of the Dallas/Fort Worth Metroplex will vary depending on the project location. Travel fees will be determined and paid prior to the inspection. All travel fees are handled as a pass-through expense.
- Consulting fees and/or property assessment fees will be invoiced at the rate of \$175.00 per hour with a 2 hour minimum. Travel fees may occur. Please contact our office for assistance.

What to Submit:

- The Architectural Barriers Project Registration Form for the building/facility if we will be registering the project, or a copy of the online TDLR registration page.
- A completed Designated Agent Form signed by the owner of the facility where someone else will be the owner contact. This does not relieve the owner of responsibility for compliance.
- A complete Proof of Submission Form signed by the design professional.
- Construction documents, including specifications. This must be a full set, sealed and in PDF format.
- A completed Request for Inspection signed by the owner or designated agent.
- Please note, incomplete or missing documents will cause delays of your review, inspection or site assessment.
