Benches TM 2013-11

Effective Date: June 1, 2013

2012 TAS Reference: 903

Based on information received from the U.S. Access Board, compliance with TAS 903 (Benches) shall be required <u>only</u> when specifically referenced in the 2012 TAS. These references are limited to the following:

Saunas and Steam Rooms TAS 612.2

Dressing, Fitting, and Locker Rooms TAS 803.4

Holding Cells and Housing Cells TAS 807.2.2

Fixed or built-in benches and other types of fixed seating provided in assembly areas (as defined by TAS 106.5.10) shall comply with TAS 221 and 802.

Fixed or built-in benches serving any other subject areas are not required to comply with TAS at this time.

These clarifications do not constitute a substantive change to the compliance requirements of TAS.
