- VESA mounting compatible with a 100 x 100 mm pattern.
- Backed by the manufacturer's 3-year limited warranty.

- 1 Solar 500Watt Generator

Description

Explore 500 Portable Power Station + SolarSaga 100W Solar Panel: Jackery Portable Solar Generator for Outdoor Adventure Car Camping.

- **Clean & Quiet:** Drawing energy from the sun and powering through a battery. No gasoline, toxic fumes, or noise during operation.
- **Convenient:** With a compact, lightweight design, it's easy to carry around wherever you go.
- **Safe:** Emissions-free energy source and reliable battery management system makes it safe enough even for indoor use.
- **Lower Cost:** Harnessing the sun's energy for free and with virtually no maintenance.

Jackery Explorer 500 is one of the lightest and most portable rechargeable lithium battery generators on the market. It features with PURE SINE WAVE 500 watt AC outlet which provides stable power to a wide range of AC-relied devices from TVs, projectors to small blenders, a pellet smoker etc. Note: the appliance must be rated under 500 watt (surge 1000W).

Jackery SolarSaga 100W Monocrystalline Solar Panel, stay charged with the power of the sun! With high conversion efficiency up to 23%, it's ideally suited for outdoor life and even unexpected power outages. The solar panel weighs only 9.1 lbs, it's lightweight, foldable and portable with an easy-carry handle.

- Upgraded 1000Watt Generator Package
