

HOA Meeting 4/13/23

- Boat ramp keys available at today's meeting
- Street Lights: they will have to come de-energize each light that we want turned off. As of now nothing has been done and we are still paying for all the lights.
- We are accepting donations for fireworks, RVIC will NOT fund this event. (Get with Kendyl to leave a donation)
- Sign at the boat ramp: we are still waiting to receive a copy of the picture to see the clarity of the design.
- Water Company- As of today, we are still under a boil water notice until they get the samples back. Taking longer than usual due to the Holiday weekend (Easter)
- Trying to get with the insurance about a cheaper policy since we only have 46 homes left. *More details to come.
- BBQ cook off that was scheduled for April 29th has been cancelled.
