PRODUCTS ARE AVAILABLE IN 250ml, 500ml, 1L, 5L, 20L

Flush with Mega Thrive or TerpZ in Week 3 of Grow and in Week 3 of Flower cycles.

Flush with WATER 5 days before Harvest.

For Mineral, use PK. For Organic, use BUDZ. DO NOT USE BOTH TOGETHER!

Pro Microbes & Rush, Use Once a Week Only

Feeding charts are provided as recommendations only. Adjustments may be necessary depending on environmental factors, individual growth patterns, and the use of additive products.
