Dear SHSC Members,

Summer is around the corner and the pool will be ready for all to enjoy. Like you and your family, the pool board can't wait for summer to arrive and for the pool to open.

As many of you know the pool board has been busy planning, prioritizing, and completing several capital improvements to the pool and pool grounds over the past 24 months. Returning members may recall how the pool replaster project that was completed last year nearly delayed opening. Good news is all capital improvements have been completed and we are on track to **Opening on May 25**.

Below I included a list of all major capital improvements from 2022 season through today. Please know the pool board prioritizes maintaining our current infrastructure and looks to make improvements where we can to preserve the pool experience for future members.

Pool Beautification Day - Saturday, May 18 from 11am - 3pm

This year we will have one Pool Beautification Day planned. Duties will include planting, weeding, and landscape trimming. Free guest passes will be handed out to members who come and help on Pool Beautification Day! Feel free to come and go! All materials needed for the Pool Beautification Day will be at the pool, including flowers!

Live Music & Events:

The last few years we enjoyed afternoons and evenings of live music at the pool, and we will continue to host live music again this year. We booked Missy and Jimmy Rea to perform their great poolside music several times over the course of the summer. We will also bring back a variety of special events for family fun at the pool.

Guests:

Members are permitted to bring up to 5 guests at a time and the guest fee is \$5 per guest.

Pool Hours:

Sunday - Thursday: 11:00am - 9:00pm

Friday - Saturday: 10:00am - 10:00pm
