- 60-80% of nursing home residents never receive a single visitor
- many nursing home residents are impoverished and live on less than \$40/month
- residents often lack basic clothing and hygiene items
- many are lonely and suffer from depression as well as altered mental status
- many residents do not know Jesus or they need the reassurance of salvation and hope of the gospel

Do not cast me off in the time of old age, forsake me not when my strength is spent. Psalm 71:9

We have everything you need for you or your church to start a nursing home ministry today!
