

Dear Vendors,

First, let me introduce myself. My name is Stephanie McDaniel and I am a Board Member at The Lillian Recreational Park. I have also assumed responsibilities for organizing Market in the Park and something we are trying new this year, Art in the Park. More on that a little later.

I hope this letter finds everyone doing well. We are so excited about our 2022 Market in the Park and Art in the Park year. We have made a few changes in hopes to better serve our vendors as well as the shoppers. Below you will find the changes we have made as well as what I need from you.

What I need from you:

- Please update your vendor application. Please be sure to list current phone number as well as email address and a description of what you offer as a vendor.
- Patience. Since I am new to Market in the Park, I will need your patience. I will try my best to reply to all emails, texts and phone calls in a timely matter.
- Let's get EXCITED! We have the potential to make Market in the Park and Art in the Park HUGE! So, let's get excited and participate. (We can also always use volunteers at our events. If you would like to volunteer at any event, please contact me or any of our Board Members.)

Changes we have made:

- Vendor fees have increased from \$15.00 to \$25.00 per 10x10 booth to help cover the additional advertising and marketing we will be doing this year.
- Electricity is available for an additional \$5.00.
- You can now pre-pay your vendor fees using PayPal or Venmo. We will still accept cash or checks the day of show.
- We are adding Art in the Park. Art in the Park will only be open to artists, crafters and food vendors. The event will take the place of our May 21st and September 17th Market in the Park. All items being sold must be handmade by the artist, crafter or food vendor. We **will** accept Food Trucks for these events. A separate Application will be emailed to all artists, crafters and food vendors soon.

Thank you all for your interest and participation in Market in the park! If you have any questions, please don't hesitate to contact me via email, text or phone call.
