

***Thank you for ordering the Healthy Beef Choice
from Whispering Wind Farms!***

*Our beef is grass fed and grass finished. In the summer months they graze on lush green pasture. In the Fall and Winter, they receive dairy quality haylage (fermented hay) to reach optimal growth and marbling of meat. Our beef is free of any antibiotics, added hormones and raised from birth on our farm with respect and dignity. All our meat is dry aged for 21 days and taken to Government Inspected Facility for processing. **Looking to purchase a Quarter or Half, our price is \$5.75/lb for a Quarter and \$5.40/lb for a Half based on hanging weight!***
