

ReFrameBX (TM) Service Consent and Disclosure Form

Service Disclaimer

ReFrameBX(TM) and affiliated services provide educational, coaching, and consultation services focused on behavioral wellness and skill development. These services are not a substitute for clinical therapy, medical treatment, or psychological diagnosis. We do not provide mental health counseling, medical advice, or clinical interventions.

Results Disclaimer

While we are committed to providing high-quality behavioral wellness support, individual outcomes vary. Results depend on multiple factors, including caregiver participation, individual needs, and consistency of implementation. No guarantees of specific outcomes are made.

Consent for Educational and Coaching Services

By participating in our programs, you acknowledge that these services are educational and skill-building in nature and do not constitute licensed mental health or medical treatment.

Caregiver Responsibility Disclaimer

Caregivers remain responsible for the supervision, safety, and daily care of their children. Strategies and recommendations provided are intended to support, not replace, caregiver decision-making and responsibilities.

Confidentiality and Privacy Notice

All client information is handled with strict confidentiality in accordance with applicable privacy laws. However, as we do not provide clinical therapy, we are not subject to HIPAA regulations. Information may be shared with consent or when required by law.

Financial Disclaimer

Payment for services does not guarantee specific outcomes. Refunds are subject to the terms outlined in our Payment and Cancellation Policy.

Emergency Disclaimer

ReFrameBX (TM) Service Consent and Disclosure Form

ReFrameBX(TM) does not provide crisis intervention services. If you or someone you know is experiencing a mental health emergency, please contact 911 or your local crisis hotline immediately.

Intellectual Property Disclaimer

All materials, resources, and content provided through ReFrameBX(TM) are the intellectual property of ReFrameBX(TM) and may not be reproduced or distributed without written consent.
