AKC Breeder with H.E.A.R.T

Application for Consideration: Crowd Pleazer Frenchies Puppy

Thank you for your interest in one of our puppies. To ensure that this puppy is a proper fit for both you and this precious new life, please take a moment to review our application.

Our puppies come with their first of three rounds of shots and vaccinations, the first usually given at 7 weeks. They will have been de-wormed and will be examined by our veterinarian for health clearances, which include cardiac examinations and wellness. All puppies are AKC registered.

We DO NOT sell our puppies to distributors (puppy millers) or large-scale breeders. All puppies will be required to live indoors in your HOME, not a garage, outbuilding, "she-shed" or other detached building. Regardless of registration rights, we EXPECT all puppies to be family members in your home. This breed's ONLY purpose is to be a companion, and if that is not your story, please do not apply.

If accepted, we will add you to our wait list at no charge. We do not accept a Holding Fee* to Reserve your puppy until 6 weeks of age.
