OPEN HOUSE

Please join us at our open house in the preschool, February 15 @ 6pm. Come meet our teachers, see the classroom, and experience the enriching environment we have available for your kids. Our Board members will also be there to talk about the board and what we do for the preschool. PLEASE NOTE registration cannot happen until we have a full board for next year.

PRESCHOOL BOARD

With our Registration for 2022/2023 coming up quickly we have several board positions to be filled. These positions need to be filled prior to registration taking place. This year we have implemented a bonus for those members that step up to fill board positions, by offering the last month of tuition to be be waved as a THANK YOU bonus. Please reach out if you have any questions about the board or the positions available for next year.

SKATING PROGRAM:

The Bow Valley Agricultural Society has kindly donated ice time to all of our classes. Skating classes will begin on February 27 and will continue to March 9. Morning classes will skate each day from 9:00 - 9:30. In order to skate, ALL students and adults MUST wear a helmet - NO EXCEPTIONS. Children must also wear snow pants and mittens.

We still need volunteers! We require one adult for every three children on the ice. Adults do not need to wear skates, but are welcome to - just make sure you also wear a helmet! Sign up is in the foyer of the preschool.

VALENTINES DAY:

The children will be celebrating valentine's day in class. Please bring in Valentines Day Cards for your child to hand out during class to give to their friends. BECAUSE of the Allergy alerts please NO TREAT ITEMS. Encourage your Child to work on writing their own name (depending on ability level) Instead of placing your child's friend's name on the card, please just put your child's name on each card.

Your Child will NEED 20 CARDS for their friends.

REMINDER!

In light of our most recent cold snap, we will be implementing a cold weather policy. Going forward, if the weather reaches -35 with or without the windchill, according to Indus area Weather, the Preschool will be closed. The Preschool also reserves the right to close in any other unsafe or extreme circumstances such as heavy snowfall, fog, ice, building issues etc. Thank you for your understanding.
