2021 - 2022 School Year

We still have spots available for the upcoming preschool year. Please encourage those you know who are looking to register their children to contact Ryan Cook or direct them to our website at www.induspreschool.com

The weather seems to be improving and warmer days are in the near future. With that in mind, please ensure that your child is prepared for some outdoor

activities.

Teachers Linda and Carrie love to take the children outside and have a lot of outdoor activities planned for May and June.
