Junior Auxiliary Of Madison County

Since 1986, the mission of the Junior Auxiliary of Madison County has remained the same: *to serve the children of Madison County, Mississippi.* Last year, with the generous help of our corporate sponsors, we were able to touch the lives of over 5,000 children right here in Madison Co. We were able to provide hygiene necessities and comfort items for children removed from unsafe households, distribute thousands of meals during school holidays to families who rely on meals being provided at school, worked with Madison Co. Schools to provide backpacks full of school supplies to children. We train babysitters, offer 9th—12th grade girls service opportunities, scholarships for students, and mini grants for Madison County teachers doing exceptional work. When you contribute to the Junior Auxiliary of Madison County, over 95% of your gift stays here in Madison County and goes to our mission of serving the children of Madison County.
