

Lithopolis Honeyfest ~ Sponsor Levels

The Lithopolis Honeyfest Association is a 501c3 non-profit organization with a mission to educate visitors about the art and science of apiculture and to raise public awareness of the importance of the honey bee within a robust atmosphere of art, music, food, fun and people. The Lithopolis Honeyfest is held annually the Friday & Saturday after Labor Day and has grown in attendance to an estimated 20,000 visitors! Whether you are an individual donor, a business with a small advertising budget or can sponsor on a larger level, we appreciate our community partners and their continued support.
