Winter Concert

Featuring the
PHILHARMONIC ORCHESTRA
and **SYMPHONY ORCHESTRA**

December 5, 2021

OUR MISSION

The Olathe Youth Symphony (OYS) fosters advanced level musical opportunities for talented young musicians in the Kansas City metropolitan area.

HOW THE OYS WAS FORMED

In the spring of 1992, leading members of the Olathe community developed a master plan to provide advanced musical opportunities for its young, talented musicians. The formation of a youth symphony within the southern Johnson County area was the highest priority within this master plan. With non-profit 501 (c) (3) status, a staff of dedicated music educators, and an energetic Board of Directors, the OYS had put into place the structure needed for success. The OYS debuted with the Heart to Heart International organization at Yardley Hall in November of 1993 and held their inaugural concert in December of 1993!

During the first four years, the Symphony Orchestra was formed. This group consisted of one full symphonic orchestra of approximately 75 members. During the fifth year, the Philharmonic Orchestra was formed to meet the needs of younger musicians.

Today, the Olathe Youth Symphony is celebrating it's 28th year, has grown to over 200 members, and is recognized as one of the finest youth-centered music programs in the Kansas City area. The Philharmonic and Symphony Orchestras rehearse on Monday evenings from 6:00 to 8:00 pm, and perform two to three times per concert season (mid-September to early-April).

WELCOME TO THE OLATHE YOUTH SYMPHONY CONCERT SERIES

The idea of the Olathe Youth Symphony (OYS) was born, nurtured, and has been sustained since 1993! As a community, we are so fortunate to have OYS bringing an outstanding musical experience to students. The OYS has two groups, the Philharmonic Orchestra and the Symphony Orchestra, which provide advanced musical opportunities for very talented young musicians!

The OYS would not be possible without the support of the Olathe Public Schools (both the Board of Education and administration), outstanding musical teachers at all levels, and our wonderful OYS directors and staff. A special thanks goes to the OYS Board of Directors and all ex-officio members who provide guidance and support to the OYS. We are also grateful for our donors who help to offset the costs of operating the Symphony. The enriching experience of playing challenging music in an orchestra would also not be possible without our fantastic parents and family members who support their children's musical endeavors.

This season, we are celebrating an outstanding compilation of selections that demonstrate the musical skills of our OYS groups. So sit back, relax, and enjoy the beautiful sounds.

Ways to Support OYS!

Every gift made to OYS has a positive impact on our talented young musicians. Regardless of the size of the gift, your generosity helps support the development of our young members while they explore the endless possibilities music can bring to their lives.

Volunteer – Donate your time and talents to support OYS! Whether you are interested in helping to keep our music library organized and updated, setting up the stage for concerts, and/or assisting with special events, your help is critical and welcomed! Message olatheyouthsymphony@gmail.com or complete the Volunteer form available on the website.

Donate an Instrument – OYS accepts good quality instruments. If you have an instrument that you or your children no longer use, consider donating it to [Dr. B's Musical Instrument Fund](#). There is a young musician in our community who could use it! Contact olatheyouthsymphony@gmail.com. A letter acknowledging your gift will be sent to you for tax purposes. *Note: Instruments that cannot be used by the OYS will be donated to the Olathe School District through the Olathe Public Schools Foundation which operates the Dr. B. Musical Instrument Fund.*

Make a Monetary Donation – Student participation fees meet many of the expenses associated with the OYS program. However, as a non-profit organization, the OYS could not provide our young musicians with a rich musical experience without the generosity of donations. The OYS is a non-profit 501(c)(3) organization so 100% of your financial gift is tax-deductible.

- **Individual donations** make a difference! Tribute donations can also be made in honor of someone, such as for a special event (birthday, anniversary, graduation, etc.) or in memory of someone. For some of our individual donors, their employer will also match their gift, thereby doubling its impact! Check with your Human Resources department to see whether your employer offers a matching gift program.
- **Business and corporation donations** support the mission of the OYS too! Our business and corporate donors help demonstrate the impact our community can have on the OYS.

Interested in supporting OYS? Email olatheyouthsymphony@gmail.com. Thank you!
