"Mindy,
Your files always come in clean with very few or no stips. So in my book, that is super important."

"North Star Loan Processing is a great "A Level" processing team.

Mindy and her assistant Pam are wonderful to work with. They are efficient and on top of what is going on. They care about getting a clean file in to the lender for a clean approval. They are committed to getting the job and get files closed out promptly. It is a pleasure working with this team."

"Thanks you Mindy for helping me process my loans. I love your tracking system and feel comforted knowing that I'm not the only one watching key dates on my files. And having a 2nd set of eyeballs to review my file's income, disclosures and the thousand other details is really, really nice!

Still amazes me how many lenders you are familiar with and the ease at which you're able to navigate through each of their systems. Outstanding service! Thank you, thank you!"

"I was pleasantly surprised to see myself on the Top 10 list companywide for C2 Financial in this month's newsletter. :-)

I can't take all of the credit. Thanks so much for all of your help processing my files! I'm doing much better volume wise and income wise as compared to my previous company in a very short period of time. Having a solid processor like yourself allows me to spend more time originating loans. "
