Each family is required to participate in one fundraiser, a few hours of service and donation of items to the concession stand. Links will be posted on our website for any positions that will be needed for games or events. Parents are encouraged to help as much as they can. Without our volunteers, this organization would not exist for our children!

The work bond check given at equipment handouts will be held until 12/1/2023. If the required points are not accumulated, the check will be cashed.

If volunteering is not possible for you, a work bond buyout will be \$160 and due at equipment pick up. The check will be cashed immediately and is not refundable.

EQUIPMENT

A \$200 check is required when equipment and uniforms are picked up. The checks will be returned when equipment and uniforms are received by the Board in good condition.

Most protective equipment and uniforms will be provided. The following items will be the responsibility of the parents to provide:

Football players:

- Game Day Volunteers
- Committees

Interested volunteers must submit an online application, an up-to-date State Police criminal background check, an up-to-date child abuse clearance, and concussion training.
