"Working with Hallie to buy our new home was a dream. She's a market expert, organized, responsive, and thorough. This whole process can be overwhelming and stressful, but Hallie was a source of calm through it all. Highly recommend!"

MISSISSIPPI'S **COOLEST** SMALL TOWN

◆◆◆◆ WATER VALLEY MAIN STREET

Citizens and business owners in Water Valley founded the Water Valley Main Street Association in 2007. In partnership with business owners, civic leaders, elected officials, and loyal residents of the town, we have prospered, received national press attention, and witnessed the development/improvement of buildings and businesses on Main Street.

We create a VIBRANT Main Street community through promotion, design, organization & economic vitality. Through unique public/private partnerships, we improve the quality of life for our residents and create an inviting space for tourists. We are proud of our past, and as we enter our future, we will expand economic opportunities for all Water Valley residents.

We are excited to host the inaugural Casey Jones Blues Fest on Main Street!
