

German Wirehair Alliance Membership Application

Membership in the GWA is required in order to be listed as an Alliance Breeder or to list a stud dog. Non-breeders interested in listing a qualified stud dog on the website may meet this requirement through Social Membership status. Memberships are based on the calendar year and are renewable on or before January 1 of each year. Any applicant or existing member may be denied membership due to unethical behavior that is detrimental to the Alliance or genetic quality of the German Wirehaired Pointer breed.

All Breeder Level applicants must include a separate letter listing their history, qualifications, and accomplishments with German Wirehaired Pointers. Membership fees will be returned for declined applicants.
