

 <p>XFMRS Inc. http://xfmrs.com/</p>	<p>XFMRs Inc. is a manufacturer of Standard and Custom Magnetics. Included are transformers, chokes and inductors. Also RJ45s with integrated magnetics, POE, and VoIP Magnetic Solutions. For Power, Networking, Telecom, Automotive, IoT, EV, and other applications.</p>	 <p>CviLux Technology https://www.cvilux.com/</p>	<p>CviLux Technology is a supplier of Connector Products including FFC/FPC Connectors, FFC/LVDS cables, LVDS Connectors, D-SUB and Combo D-SUB Connectors, I/O Connectors, Wire to Board Connectors, Power Connectors, IDC Connectors, RF Microwave Coaxial Connectors, RF Cables, Fiber Optical Products, Board to Board Connectors, Female Pin Headers, Male Pin Headers, Socket Connectors, and Custom Cable Assemblies.</p>
 <p>TIBURON FREQUENCY CONTROL On Time Everytime A Disabled Veteran Owned Company Tiburon Frequency Control http://www.tiburonfc.com/</p>	<p>Tiburon is a manufacturer of Custom and Standard Crystals, Oscillators, Resonators, VCXO, TCXO, VCTCXO, OCXO, Saw Filters, Saw Resonators, and VCO.</p>	 <p>SETsafe SETfuse http://www.setfuse.com/</p>	<p>Manufacturer of Over Temperature Protection Products, Over Voltage Protection Products, Over Current Protection Products and Active Protection Products.</p>
 <p>Shape LLC https://www.shapelc.com/</p>	<p>Custom Magnetics, Electronically Controlled Ferroresonant Transformers, Ferroresonant/Constant Voltage Transformers, Ultraviolet Lamp Power Supplies, Electro-Mechanical Value-Added Assemblies and Linetamer Powerline Conditioners.</p>	 <p>ECE http://www.ece.com.tw/</p>	<p>Manufacturer of Terminal Blocks: Eurostyle PCB Type, Screwless Type, Wire to PCB Type, Plug in Type and High Power Type. Relays: Mos Relay, Solid State Relay, Reed Relay, Reed Sensor, Socket Type. Switches: Dip Switch, Push Switch, Slide Switch and Micro Switch.</p>
 <p>Integrated Assembly Systems Inc. http://www.ias-assembly.com</p>	<p>The IAS Group consists of a highly skilled Engineering and Manufacturing Core of Business Segments. Capabilities include SMT PCB Assembly, Through Hole PCB Assembly, BGA Rework, Cable Assembly, Wire Harness Assembly, Box Builds and Chassis Assembly. Other services offered are Material and or component Procurement, Kitting Services, Full Product Fulfillment, Product Marketing, and Single P.O.C. Program Management.</p>	<p>Your Company Here</p>
