## RAFFLE BASKET DONATION GUIDE

Help us create exciting raffle baskets that support Flight To The North Pole.

### SUGGESTED BASKET VALUE: \$100-\$200

Each raffle basket should have an approximate total retail value between \$100 and \$200.

### DONATION GUIDELINES

- Baskets may include any combination of household items, themed gifts, experiences, and gift cards.
- Gift cards in different denominations are welcome and may be combined with physical items.
- Items should be new and unused.
- Please provide the approximate total retail value of your basket.
- Baskets may be assembled in a basket, decorative box, tote, cooler, bucket, tray, or another themed container.
- Individual items are welcome too - our team can combine donations into complete baskets

### WHAT MAKES A GREAT BASKET?

- A fun, clear theme
- Attractive presentation
- A good mix of practical and fun items
- Broad appeal for event guests
- A total value within the \$100-\$200 range

### DON'T WANT TO BUILD A FULL BASKET?

Individual products, services, experiences, and gift cards are always appreciated.  
Our team can combine donated items to create complete baskets valued between \$100 and \$200.

Thank you for helping us create exciting raffle baskets that support Flight To The North Pole.
