1. I do Introduce purpose of pos/neg exercise, and demo how to do it on doc cam.

2. We do Pass out worksheets w/ steps, and do the activity with them → Remind them they can use a different writing utensil for hand comfort.

3. You do Pass out second worksheet where they can design their main project (animal)
↳ They will do a pos/neg and neg/impression
Small version in clay to see and experience what ~~both~~ both ways feel like to create.
