

CLOTINE CAPITAL FUND

Think Self-Directed Hedge Fund For Alternative Investments

The customizable fund that puts you in the driver's seat of where your money gets deployed. You choose which investment opportunities within our fund you wish to invest in.

It's just that simple!

- A 506c Fund - Available to Accredited Investors Only
- Evergreen/Customizable fund
- Investors are in control - they choose the deals they want to invest in
- Low Risk
- Investments that routinely beat the S&P 500
- Vetted Asset Managers & Capital Managers - background checks
- In good standings with the SEC

**We Put Our
Investors First**

Investors Get Paid FIRST!
We get paid AFTER

EXPERIENCE

**23+ Years of
Experience**

**Has Served
Thousands of
Investors**

**Raised over
\$100,000,000**

“ Together we all succeed. It's in this belief we've intentionally designed the Clotine Capital Fund to be a collaborative community that aligns interests and incentives between Investors, Capital Managers, and Asset Managers. Our collaborative approach allows all of us to maximize our income and net worth together!
