WE ARE KNIGHTS, WE ARE PRO-LIFE!

GRAND KNIGHT'S REPORT

Brother Knights In Christ:

As you know, many areas in the southern United States, as well as the Caribbean, have been devastated by the back-to-back hurricanes, Harvey and Irma.

Harvey and Irma both made a U.S. landfall as Category 4 hurricanes.

Our Knights of Columbus council 7027 has taken an active role in hurricane relief.

It was on Friday, September 8, 2017 Father Hank made a suggestion and asked if the Knights could help evacuees from Hurricane Irma by offering them free breakfast at the KOC Breakfast on September 10, 2017. Better yet I suggested to him, why don't we offer free breakfast to all and ask if they would like to give a donation to Hurricane Irma victims. So we put out a sign, Donations for the Disaster Relief Fund for Hurricane Irma with three donation containers provided. The outpouring of generosity to our appeal has been magnificent, and I personally thank each of you who have contributed.

Charity, a noble quality in man, brings welfare in the society. It enlarges human hearts and spreads the message of brotherhood and innocent love among the people.

It was then an accepted practice to give whatever was possible in charity for the welfare of the people and the society.

The Church, the Community and the Knights of Columbus working together hand in hand for one common goal which is Charity.

Charity has always been a defining characteristic of the Knights of Columbus. "To Love God and neighbor is not something abstract, but profoundly concrete. It means seeing in every person the face of the Lord to be served, and serve him concretely." Our brother Knights continue to be examples of just such concrete service to their neighbors.

My thanks to all of you who have and are volunteering and to those of you who have contributed to our relief effort. Your efforts are making a difference.

The Knights of Columbus has about 1.9 million members in over 15,000 councils worldwide. Donations to the disaster relief fund can be made through its website at www.kofc.org.

And I encourage any of you who have not contributed to the Knights of Columbus relief effort, or who wish to give more, to please do so immediately. The need is great, and the need continues.

Your Servant In Christ,
Cesar Mascardo

FIELD AGENT'S REPORT Helping Our Families Prepare

Tempus fugit memento mori – times flies, remember death.

The phrase, we are told, is to remind us to be conscious of our own mortality and to plan accordingly. As Catholics, we keep death always in the front of our minds because it is the gateway to paradise, but also because we want to be sure that we are preparing accordingly and living just lives, conquering sin and living for God, so that we may live with Him after death.

But death is not always easy to think about. While we live with Christian hope, we know that our death also means sadness and trial for those we love. We know that we will leave a void, and, depending on the circumstances of our own death, we may even leave loose ends.

But by thinking about the unthinkable, and planning for the inevitable, we may be able to reduce those trials and tie up some of those loose ends.

That's why we are excited to introduce the *Knights of Columbus Information for Survivors and Beneficiaries*.

The *Knights of Columbus Information for Survivors and Beneficiaries* is a no-cost tool available from me to you.

The brochure is a planning guide that will enable you to record personal information, identify personal wishes, and supplement legal documents.

With the *Knights of Columbus Information for Survivors and Beneficiaries*, you can:

- Identify the location of records, documents, accounts, password, and other important concerns
- Establish a list of people to notify
- Record information on life insurance policies and other benefits

In a fast-paced digital age like ours, there are so many more things to plan for and to record, and so much less time in which to do it. The *Knights of Columbus Information for Survivors and Beneficiaries* is an easy and effective way to gather your thoughts, details, data, and wishes for the benefit of your loved ones.

This great resource is another extension of our founding mission, set forth by Father Michael J. McGivney, of protecting Catholic families.

As pointed as it may seem, *tempus fugit memento mori* reminds us that we – with certainty – will die, but that we may very well not – with certainty – know when.

So why not spend a few minutes preparing for the inevitable?

You'll have the comfort of knowing that you did the right thing, and the assurance that, when that time does come, you will have made a very difficult time just a little bit easier for the ones you love.

May God Bless You All,

DEACON'S TEACHING By Deacon Chris Christopher

What does the Church Teach About Work on Sundays?

Nehemiah was a Jewish layman who was devoted to God and who longed to see God's law kept by his people. Through Moses, the Lord had commanded

the ancient Israelites ***"to keep holy the Sabbath day"*** – that is, to set aside a particular day each week especially for worship and rest (Ex. 20:8-11). So Nehemiah rebuked the residents of Jerusalem for treating this sacred day like any other by working at their normal business (Neh 13:15-22).

Scripture suggests that a regular day of rest is actually part of the "rhythm" of creation. In the poetic language of Genesis, God himself is pictured as ***"resting"*** on the seventh day – Saturday – after creating the world, an example we ought to imitate (Gn. 2:k1-3; Ex. 20:11). Just as importantly, the Lord insists that we should give the same privilege of rest to family members, employees, guests, and even laboring animals (Ex. 20:10; 23:12).

Today the Church continues to call us to a weekly Sabbath. But in honor of Jesus' resurrection on a Sunday, this first day of the week is now our time for rest and worship – what the early Christians named ***"the Lord's day"*** (Act 20:7; 1 Cor. 16:2; Rev. 1:10).

Those who take the Sunday Sabbath seriously

have found it a welcome respite. It's a humbling reminder that in a society often driven by a compulsion to work, produce, and succeed, a weekly day of rest when we stop all work is a wonderful detail in the grand scheme of creation. We're not the ones who keep the world turning; God is. ("Sabbath" comes from a Hebrew word meaning "to cease")

What should we avoid doing on the Sabbath? ***"On Sundays and other holy days of obligation,"*** the *Catechism* teaches, ***"the faithful are to refrain from engaging in work or activities that hinder the worship owed to God, the joy proper to the Lord's Day, the performance of the works of mercy and the appropriate relaxation of mind and body"*** (cf. CIC, can.1247)" (2185).

Isn't work on Sunday sometimes unavoidable? The *Catechism* continues: ***"Family needs or important social service can legitimately excuse [one] from the obligation of Sunday rest. [But the] faithful should see to it that legitimate excuses do not lead to habits prejudicial to religion, family life and health"*** (2185).

Next month we'll look at Emperor Constantine the Great and his role in legitimizing Christianity, followed by how his mother St. Helena also participated.

WE ARE KNIGHTS, WE ARE PRO-LIFE!

Fourth Degree St. Teresa of Calcutta Assembly 2823

Worthy Sir Knights,

Our busy season is upon us. It starts in just two weeks with the St. Rose of Lima Fall Festival. Be sure you spend some of your time and talent helping out our parish in this community event.

Then, just two weeks later, we will put on our Oktoberfest on the pavilion located adjacent to our KC building. Tickets will be \$10.00 per person and we will have some great food, a few games and some great fellowship. As it stands right now, according to Msgr Reed, we cannot have any beverages other than non-alcoholic beverages. That may be resolved with the City of Milton by then - or not. If you know anyone on the City Council, let them know how you feel about this issue. We hope the church can "opt out" of the ordinance prohibiting alcohol on church property.

Worthy Sirs, there is a 4th Degree coming in January at St. Sylvester's in Navarre. Be sure you invite our worthy 3rd Degree Knights to join our ranks. If you need a Form 4, see me or Jeff Fischer.

I need to know how many of our SK's have prior military service. If you're a veteran and plan to attend the Veteran's Day Dinner, I need to know by Oct 6th. I must order the Combat Rosaries and do not wish to order too many or too few. As a veteran, your dinner will be FREE that evening. So, get back to me at my e-mail, or call me, tell me at church. My e-mail is rlwinn1951@gmail.com.

Vivat Jesu,
SK Ron Winn,
