GRAND KNIGHT'S REPORT

Brother Knights In Christ:

My Brothers All:

It is amazing how fast a year can go by. It was only twelve months ago that we began this cycle with the elections of the 2018-2019 officers. Now we get to do it again. A new slate of qualified candidates for the 2019-2020 officers has been proposed. I solicit every member to be in attendance for our elections at the June Business meeting on June 13, 2019. I encourage everyone to come and vote. You need to have an active role in the elections. It is vital to the health and future of our council that the membership be well represented and takes an active participation in the selection of next year's Grand Knight and officers. Please make the time!

We will be conducting our Annual Installation of Officers for our Council and Assembly at 6:00pm on June 15, 2019 at the Parish Hall. The month of June is the last month of our fraternal year. I would ask each one of you to recruit one new Knight for us to reach our membership goal. Let's secure a bright future for the Knights of Columbus. Attract to the brotherhood through charity and recruit more members. You are doing it for Christ because we are disciples of God.

As my term as Grand Knight of your council comes to a close, I would like to take this opportunity to thank the council for your support during the three years I have served. The success has been through the efforts and diligence of a core group of men in the council. Some of those gentlemen you see at every meeting while some come out only occasionally and when they do you can expect the best.

I would like to Thank the Council's Officers, and Trustees who are not only the backbone of the Council but the arms, the legs, head, feet, toes and fingers and whatever appendages. A heartfelt thank you for your dedication and your abilities to give to your brothers. I would like to thank, all my brothers and sisters and families

for donating their time and efforts to make our events successful. I just returned from the 115th Florida State Convention held May 24-26, 2019 at the Hyatt Regency in Orlando. I am happy to report that Scott A. O'Connor has been elected as State Deputy and the state of the Florida Council is healthy and well. I am proud to announce we received the Knights of Columbus-Florida State Council 2018-2019 Altar Server of the Year Award, Second Place-State Service Program Award for Life.

I have observed that our Council is made up of a variety of personalities and personnel of various skills and gifts. We have leaders and we have doers. Everyone makes a contribution whether large or small. Many small contributions add up very quickly to be a major event. So gentlemen as we start looking forward to the next year, continue to contribute in whatever capacity makes sense in your current situation, but please make that attempt.

I want to thank you all for the efforts, support and time you have put into making these fraternal years endeavors a success. Our continued success depends on you taking the first step and volunteering for the event, as charity is our Order's first principle and basis for all we do as Brother Knights.

I have found working with every one of you, Gentlemen, a pleasure and a professional experience. The contributions made, have been plenty. There would not be enough space in this newsletter to list them all and I would likely miss somebody.

Once again I extend my Thanks to the overall membership and wish my best to the incoming officers. May God Bless all of you and your families.

**Your Brother In Christ,
Cesar Mascardo

FIELD AGENT'S REPORT

NEVER INVEST IN AN ANNUITY!! You've no doubt seen this kind of headline in the financial pages or you've seen pop-up ads on your computer or you've heard some friend repeat what he's heard from his buddy's uncle. Are they serious?

Let's start with the basics: An annuity is a tax-favored savings instrument. The government gives it special tax treatment because it's designed for retirement income. An annuity can be qualified or in other words, funded with money that you have not yet paid taxes on, like an IRA or an RRSP in Canada. Or non-qualified, that is, funded with money you've already paid the tax on. Like money you take from your paycheck or out of your savings account. Either way, the tax on the growth in your Knights of Columbus annuity each year is deferred...you pay no current tax on it and pay only when you withdraw money.

I'll tell you that I think an annuity is a great product in the right situation. Especially a Knights of Columbus annuity. In addition to tax deferred growth, here are a few more reasons why I think that way:

1. Your minimum interest rate is guaranteed...for life! There is a floor that the interest rate will never drop below. The good news is that we've always paid a higher current interest rate than the guarantee. This feature means nobody has ever lost a dime in a Knights of Columbus annuity...and never will!

2. Your principal is guaranteed by the Knights. Now that kind of guarantee is only as good as the company backing it...and we've had 40+ years of Superior ratings from A. M. Best for financial strength. (As of January 2019, rated A+ Superior by A. M. Best)

3. You are charged no administrative fees each year...100% of your money goes to work for you earning interest from day one.

4. Even though annuities are designed for long-term growth, after one year you can access 10% of the value without any KofC penalty.

5. Owners of annuities name a beneficiary; this means that at death, the proceeds bypass probate. This saves time and usually money, too.

6. You can enjoy an income that you (and if you wish, your wife) can never outline! But let's be fair; an annuity is not the answer every time. It's not a short-term product. It's not designed to be a "put and take" account where you stick some money in and then take it out a short time later. There is a reducing early withdrawal penalty over the first seven years if you take out more than the 10% free withdrawal. That feature, in all annuities, not just the K of C, is to encourage people to leave the money alone until retirement age.

So, although there are situations where an annuity is not the proper product, there are many where it is...And we haven't even talked about triple compounding, protection from creditors and other features.

How do you know if an annuity is right for you? Meet with me and let's look at your goals. It might be the perfect fit.

Where do you keep your safe money?

Vivat Jesus!

WE ARE KNIGHTS, WE ARE PRO-LIFE!

DEACON'S TEACHING By Deacon Chris Christopher

Do Catholics Communicate With the Dead?

The eerie story of King Saul's dealings with the medium at Endor illustrates the dangers of "necromancy" – the attempt to initiate communication with the dead ^(1 Sm 28:3-19). Saul himself had previously

driven mediums out of the land, in keeping with God's consistent warning to the Israelites against adopting this practice of their pagan neighbors. So grave was the crime of necromancy, and so pernicious its consequences, that God actually prescribed the death penalty for it ^(Lv 20:6, 27).

Why is the matter so serious? Because human beings cannot converse at will with the souls of the dead, and when they attempt to do so, they often open themselves to diabolical deception.

On the other hand, God himself may at times permit a departed soul to appear to the living, called an "apparition", and even to disclose things unknown to them. This would be true even in Saul's case. If the "apparition" of the prophet Samuel was indeed genuine, it was not because the medium had any powers to summon the dead, but simply because God took the opportunity to rebuke the king through the otherworldly visitor he was seeking out.

The gospel accounts provide much clearer cases of departed souls being allowed by God – or even sent by God – to encounter the living. When Jesus was transfigured on the mountain, while Peter, James, and John watched and listened, the departed Old

Testament saints Moses and Elijah appeared and conversed with him ^(Mt 17:1-9). After our Lord's resurrection, a number of departed saints returned to Jerusalem "*and appeared to many*" ^(Mt 27:52-53).

When Catholics talk about prayer to the saints or about apparitions of Mary or the other saints, they are not advocating necromancy. Asking for the saints' intercessions is not an attempt to conjure up the dead; it simply acknowledges that those who are in heaven, perfected in Christ, are able and willing to help us by God's grace. After all: "*He is not God of the dead but of the living*" ^(Mk 12:27).

At the same time, genuine "apparitions" of the saints are typically a startling surprise to those who experience them, not the result of someone seeking out a contact beyond the grave. Mary, or another saint, appears unexpectedly with a message sent from God that calls us to repent, believe, and draw closer to him. Nothing could be further from necromancy.

Next month we'll ask, **What Is Speaking in Tongues?**

Deacon Chris invites you to send him questions or suggested topics for the Deacon's Teaching column.

Faith in Action

George Elliott

Deputy Grand Knight/Program Director

I would be remiss if I did not start out acknowledging the incredibly great support from the St. Rose of Lima Ladies Auxiliary for our Special Dances. In the early stages, before the first dance in January, we asked the Ladies Auxiliary if they would like to participate in any way they liked. They jumped on it! At the first dance and every month since, they have been totally committed to making each event a huge success. They have provided the drinks, chips and other snacks, and have helped out with the decorations. They've been there to help set up and they've served food, welcomed the guests and danced with them, and helped with the clean-up. They even came up with themes for each monthly dance. We could not have hoped for better support. When you see any of the Auxiliary members, please thank them!

June contains many solemnities. The Ascension of the Lord is Sunday, June 2. Pentecost is Sunday, June 9, which means that the Novena to The Holy Spirit, the oldest and the only novena prescribed by the Church, is prayed from May 31 through June 8. (You can find this novena at <https://www.ewtn.com/devotionals/pentecost/seven.htm>). The Solemnity of The Holy Trinity is Sunday,

June 16. The Most Holy Body and Blood of Christ (Corpus Christi) is Sunday, June 23. Friday, June 28, is the Solemnity of The Most Sacred Heart of Jesus. (The novena said for the nine days before The Sacred Heart of Jesus is at https://www.ewtn.com/Devotionals/heart/sh_novena.htm.)

Over the Memorial Day weekend, I had the privilege of attending the 115th Convention of the Florida State Council. Also attending from our council were Grand Knight Cesar Mascardo, Regional Director for Region One Ron Winn, Region One Life Director Dan Arndt, and our Field Agent Jeff Fischer. I was inspired by the good works performed by others around the state, which caused me to reflect on all of the awesome things, great and small, that the members of OUR COUNCIL do. You're the best!

Finally June brings us two very important events. Our election of officers will take place at our next regular business meeting on Thursday, June 13 (a significant historic date). Then our installation of officers will take place on Saturday, June 15. I sincerely ask that you participate in both of these events.

May God richly bless you and yours.

Brothers, thank you so much for your efforts in Life. Because of your commitment to life we were able to receive a Life award at the state convention. Great job! We still have a lot of work to do. In Tallahassee, Planned Parenthood has moved in next to the college. This is very concerning to us all, because they are attacking our children that attend that college. There are efforts in the making now to have a PRC next to the Planned

Parenthood building. A temporary motor unit has been proposed. So please get involved in any money making projects we can do to support this mission. I would like anyone that would like to step up to the duty of Life in the upcoming Knights fiscal year. There is an opening for Life director in region one. If you are interested please contact me at (850) 207-8779 or email prolifeman53@gmail.com. Always remember **"We are Knights, and we are Pro-Life"**.

Lacking that, suit and tie.

Now, since the elections, SK Tom Kubalewski has offered to take over the Trustee 3 Year Position from SK Ron Winn. So, if elected at our 20 June meeting SK Tom Kubalewski will be Trustee 3 Year. This will keep SK Ron's plate from becoming fuller than it already is.

Joy in June: Pentecost

The Easter Season is drawing to a close, The Ascension of the Lord is behind us and soon, a scant 50 days after Easter, we will celebrate with joy and Solemnity the Coming of the Holy Ghost at Pentecost. (Celebrated this year on 9 June.)

We, by virtue of our Baptism and Confirmation, have truly wonderful, Divine Gifts. Gifts to help

us successfully navigate the trouble world in which we live. These gifts:

- Wisdom
- Understanding
- Counsel
- Fortitude
- Knowledge
- Piety
- Fear of God

Saint Thomas Aquinas in his thirteenth century *Summa Theologiae* explains that these are "habits," "instincts," or "dispositions" provided by God as supernatural helps, "Gifts" freely given to man in the process of his "perfection." We cannot earn them, we are not owed them, but are freely made available to us through the Holy Spirit by a Triune God of infinite Power, Wisdom and Charity.

Aquinas insisted that they are necessary for man's salvation.

These enable man to transcend the limitations of human reason and human nature and participate in the very life of God.

They serve to "perfect" the four cardinal or moral virtues:

- Prudence, Justice, Fortitude, and Temperance
- and the three theological virtues: Faith, Hope, and Charity."

The **Virtue of Charity** is the **key** that unlocks the potential power of the Seven Gifts, and I encourage all to spend time in both reflection and thanksgiving for these gifts given and how to better allow them to transform our lives as we enter our new Fraternal Year.

Until our next appointed Meeting 20 June
