

The Duke of Edinburgh's award expeditions with

Let's Get Out C.I.C

A not-for-profit Community Interest Company.

'To engage as many people possible with the great Outdoors, no matter what their background.'

We are an Approved Activity Provider for the Duke of Edinburgh's award expedition section.

The Duke of Edinburgh's award can be a life changing challenge. We run the expedition section for many Schools and organisations across East Anglia, London and beyond, offering full training, fully staffed expeditions, and assessors.

Let's Get Out C.I.C can also accommodate school staff who may wish to help out on expeditions. We supply tents, stoves, gas, maps, map cases, and compasses for all expeditions.

As part of our company aim 'to engage as many people possible with the Great Outdoors, no matter what their background', we offer one free place per every ten paying participants for Pupil Premium students or others who may find achieving their award out of reach financially. We can also supply these students with much of the kit required to participate.

"The students had such a great expedition. Thank you so much for all your hard work, please pass on a massive thank you from us to the team" RT, London

As an organisation we make it our mission that all participants achieving their expedition section with us have a thoroughly enjoyable experience, starting at bronze award level. If participants receive the correct training, have experienced and friendly supervisors and assessors, they will have a great experience that will be remembered for the rest of their lives, and in turn a higher percentage of each cohort will wish to carry on their achievements by moving onto their Silver and Gold DofE.

Bronze award. Where it all begins!

"Let's Get Out has been absolutely fab in its organisation, planning and expeditions. Since using them as our AAP, we have had many successful expeditions and encountered no difficulties. Duncan, the Director, is amazing at responding to queries in an efficient manner and the communication between the company, school and parents has been outstanding. I could not speak of a company in a higher regard than Let's Get Out. They have also been very flexible to our needs and have done many in person meetings with parents and pupils as well." AN London

Let's Get Out C.I.C is the ideal choice to run your bronze Duke of Edinburgh's award (DofE) expedition for numerous reasons.

Our experienced team is dedicated to creating a safe and engaging outdoor experience. We go out of our way to build rapport with the participants, so they feel happy, and engaged throughout their whole expedition journey. We possess extensive knowledge in expedition planning, training, and risk management, ensuring the well-being of participants throughout the journey. Our passion for outdoor education is reflected in our ability to foster teamwork, resilience, and personal growth among participants. Let's Get Out C.I.C's commitment to inclusivity further enhances the expedition, providing a meaningful and enriching experience for all involved.

'Let's Get Out have been amazing from start to finish in leading our schools Duke of Edinburgh Expedition. Duncan has been available and helpful throughout the entire process. We are excited to work with this company again to plan next years expedition!' CF, London

A fantastic experience at Bronze level means more participants wish to go on and achieve their Silver and Gold, and all the life skills the higher awards can bring.

We offer full training, and various options to fit training in around your schedule. Ideally we like to run a training weekend, which includes an overnight stay, this gives the best preparation for their assessed expedition.

Silver & Gold.

After a successful bronze award, it's always great for us to see participants in the following years continuing to push their boundaries by achieving their Silver and Gold awards.

Silver

Our Silver expeditions have several options of areas to use. We are always willing to do what we can to make your expeditions as accessible as possible for participants.

We really enjoy taking Silver participants to North Norfolk, as being along the coast really adds to the memories of their DofE in later years.

Gold

Our Gold expeditions normally take place in Wales or Dartmoor, but again, we can offer areas that suit better if it helps more participants achieve their award.

We hold an AALA license for wild country, and we also offer open expeditions if you do not have many participants wishing to achieve their Gold.

We are more than happy to run through any questions or queries you may have, and we can supply references if required. You can find out more by getting in touch on the details below or by visiting our website.
