Sunday inspection is reserved for the following (Windshield, V8 Stock, MiniTruck/Van, Engine Swap w/Kicker)

INSPECTION PROCEDURES:

Inspection will take place in the ARENA. We recommend the team cars go through inspection at least once on Friday. We want to get as many cars inspected on Friday as possible. Once vehicle passes inspection, it will be staged in the ARENA and impounded overnight. The arena will be will LOCKED & SECURED overnight. This building is available to all cars for security and shelter from weather, both Friday and Saturday night. Arena will be unlock at 8:30 a.m. the following morning. Flagged cars will be staged in one of the staging areas outside the ARENA. Flagged cars are not permitted to return to trailers or campers. Drivers may finish preparing vehicles in the staging areas. Any flagged car which leaves the staging lines may be disqualified. All cars will have three chances for inspection. If you do not pass on the third attempt, the car will be disqualified from the event.

GROUND FOR DISQUALIFICATION AND/OR REMOVAL:

Any car caught with plated/loaded frames or bodies will be immediately disqualified from the event. You will not get an opportunity to cut/modify.

If any team car is disqualified, the entire team is disqualified. No substitutions once inspected.

The following activities are PROHIBITED which will result in immediate removal from grounds or arrest: Wreckless driving on the grounds, fighting, throwing objects at participants, officials, staff or emergency services. Sheriffs will be onsite for event.
