Upon signing this form, you hereby release the Baltimore Figure Skating Club Board of Directors and Professional Staff from any responsibility in case of loss or accident.

The Club shall participate in the Skate Canada Club Liability and Member Accident Insurance Program. [Skate Canada By-law 1201 (1) (c) (viii)].

I release the Baltimore Figure Skating Club of any liability in the case of my child's need to be transported to the nearest hospital for emergency treatment. I realize that this treatment will only be done if an appointed guardian or I am not at the arena to take charge of the child's condition and it is felt by a Coach or Board of Directors that immediate medical attention is necessary. We require that a parent or guardian remains at the arena during the skater's session if they are under the age of 12.

I understand that the Baltimore Figure Skating Club will not issue refunds (full or partial) beyond December 15, 2020 if my child no longer wishes to attend their skating lessons.

BOARD OF DIRECTORS USE ONLY

Due to limited coaching resources, and in order to ensure a good learning experience for all skaters, children age 3 and under may undergo a skating assessment to ensure they are ready to enter the program. If the Coaches feel that it is too early for your child to enter the program, the club will issue you a full refund, with the exception of the \$45 Skate Canada Insurance Fee.
