**Livable Luxury!**

Our high level of design is coupled with exceeding performance standards ensuring the look and feel of the product in high traffic areas for many years to come while suitable for the active lifestyles of today's design-conscious consumer.

Performance and elegance take on a new meaning with our groundbreaking L.I.O.N. (Luxury Indoor Outdoor Nylon) yarn system. Offering superior softness and high style, Rosecore design, married with the ultimate in performance attributes. Our solution dyed UV stabilized L.I.O.N. yarn system has superior colorfastness, ensuring the beauty of your carpet for years to come.

L.I.O.N. yarn does not absorb moisture, making everyday spills, such as red wine and pet stains, easily removed with normal cleaning agents, including bleach. L.I.O.N carpets are class 1 rated meeting both residential and commercial needs. All the qualities you would expect; strength, durability, softness and the highest level of sophistication.
