

Customized Community information

The Denver luxury apartment homes and town homes are arranged in six architecturally unique villages-each with its own clubhouse, pool, and hot tub. The homes themselves all have amenities for a comfortable and active lifestyle including:

- Environmentally-preferred gas fireplaces
- Full-size washer and dryer hook-ups
- Central air conditioning
- Built-in microwaves
- Walk in closets
- Stainless steel appliances
- Granite countertops
- Cherry cabinets
- Brushed nickel hardware
- Ceiling fans

THE RESIDENT CARD

The Resident Card provides a community program that develops relationships with quality retailers within a two square mile location of your apartment community. Whether you are looking for fashion, car repair, restaurants, or retail shops, having The Resident Card in your possession will afford you discounts without the hassle of carry coupons, or as important worrying about an expiration date, or seasonal discounted sales.
