

The purpose of these policies is to:

- Keep lesson prices fair and affordable
- Create consistency between months for both teacher and students/families
- Allow more flexibility for cancellations

These policies are based on an estimated 40 weekly lessons occurring during a 52 week year. One cancelled/missed lesson per month is already accounted for in the pricing. Students who will miss most of a month's lessons but want to maintain their reserved time have the option to purchase a single lesson for that month at a lower cost than the monthly fee.

1. The student and the teacher commit to a lesson at a time reserved for them in the teacher's weekly schedule.
2. Students may choose to purchase lessons by the month or a single lesson at a time.
3. Students must purchase at least one lesson per month to maintain the student's weekly lesson time reserved for them.
4. Lesson fees:

Weekly half-hour lessons	\$105 per month
Single half-hour lessons	\$45 per lesson
Weekly one-hour lessons	\$210 per month
Single one-hour lessons	\$90 per lesson

5. Payment is due by the first lesson of the month OR by the second week of the month to maintain the student's reserved weekly lesson time.
6. Payment may be made by:
 - ✓ cash
 - ✓ check made out to "Isaac Engel Music LLC"
 - ✓ Zelle payments to 971-718-4535
 - ✓ CashApp payments to \$engelmusic
7. Students who have more than one cancellation in a month may receive make-up lessons depending on availability in the teacher's schedule.

Additionally: there are no lessons or make-ups offered for the weeks of Spring Break, Thanksgiving, Christmas, and New Year's.

Additionally: two yearly recitals will be held, one at beginning of June, and one at the beginning of December. Students are not required to perform, but are strongly encouraged!

Additionally: a small increase in the fee is planned for September 1st, 2025.

Additionally: students and pricing for requested in-home/other lesson locations/group lessons will be considered individually.
