

Livestock Water Quality Screening

Submit your 1L livestock water sample for testing at no cost. Your regional livestock and feed extension specialist will contact you with results.

Date	Time	Location
June 24, 2026	3 p.m.	RM of Kelvington #366 201 Main St Kelvington, Sask.

You may also submit samples anytime at a Ministry of Agriculture Extension Services office or at participating Saskatchewan Crop Insurance Corporation offices.

Producers must have a Premises Identification number to access this service.

Contact: Call the Agriculture Knowledge Centre at **1-866-457-2377** or your local livestock and feed extension specialist.
