Education

- PhD**
1999 **University of Texas at Dallas, Richardson, TX**
Human Development and Communication Sciences (Developmental Psychology)
Doctor of Philosophy received December 1999
Dissertation: *Parent-Adolescent Relationships and Self-Governance in Adolescence*
Advisor: Duane P. Burhmester, Ph.D.
- MA (ABD)** **Michigan State University, East Lansing, MI**
1988 Ecological (Community) Psychology, Cognate in Organizational Psychology
Master of Arts received December 1988
Doctoral Comprehensive Exams Successfully Completed 1990
Thesis: *Domestic Violence and the Police: A Needs Assessment*
Advisor: William S. Davidson II, Ph.D.
- BS**
1985 **The University of Michigan - Flint, Flint, MI**
Clinical/Community Psychology
Bachelor of Science received August 1985

Research and Employment Experience

Susan Wolfe and Associates, LLC, Cedar Hill, TX

CEO and Community Consultant

2008-present

Founded and manage a small, woman-owned TX certified Historically Underutilized Business that provides research, evaluation, grant writing, strategic planning, facilitation, capacity building, coalition development, customized training, keynote speaking, and other services to non-profits, foundations, government, professional associations, educational institutions, and for-profit organizations.

Positive Impact Consultants, Alpharetta, GA

Partner

2020-present

Collaborative to provide evaluation, strategic planning, and coalition development services to foundations, nonprofits, and government entities.

Global Insight, New York, NY

Affiliate Principal Investigator

2021-present

Principal Investigator at research, evaluation, and data analysis consultancy bringing together academic scholars and independent researchers in partnership with practitioners, policymakers, and donors to produce empirical evidence that answers our most perplexing questions in fragile contexts. Global Insight uses a unique blend of data-driven, gender-sensitive, multi-methods approaches to measure impact, provide evidence, and test assumptions around the root causes of conflict, displacement, and vulnerability.

National Louis University

Adjunct Faculty Pool

2021-present

Participate on thesis and dissertation committee. Providing ongoing guidance to doctoral student to prepare dissertation proposal.

University of Washington Health Sciences Library, Seattle, WA

Evaluation Specialist

2017-2021

Temporary part-time position with the Network of the National Library of Medicine (NNLM) Evaluation Office (NEO) for evaluation of the NNLM's community engagement initiative in partnership with the National Institutes of Health (NIH) *All of Us* research program. Collaborated to develop and implement the NNLM's community engagement initiative evaluation. Served as a resource and provided technical assistance to NNLM libraries and members to evaluate implementation, processes, and outcomes for NNLM's *All of Us* community engagement.

CNM Connect, Dallas, TX

Senior Consultant

2015- 2017

Played a lead role to initiate and build a new evaluation department. Developed services, processes, and procedures; wrote successful funding proposals; and assisted with screening and hiring staff. Worked with a team to design and implement data visualization services using SAS Analytics Pro and SAS Visual Analytics. Provided program evaluation, data analysis, data visualization, coaching, training, capacity building, and consultation services to non-profit and government organizations. Revised and updated curricula and materials for workshops, certificate programs, and institutes to teach program planning and evaluation to nonprofit staff.

Fort Worth Independent School District, Fort Worth, TX

Analyst IV

2009-2010

Evaluated district initiatives and grant funded programs for a large urban school district. Included evaluation of pay-for-performance school improvement initiative, middle school summer enrichment program, and services to homeless students. Designed evaluations for grant proposals, prepared training materials, responded to ad hoc data requests, and participated in other departmental initiatives.

US Department of Health & Human Services, Office of the Inspector General, Office of Evaluation and Inspections, Dallas, TX

Program Analyst / Technical Leader Grade 13

2002-2009

Developed research designs and data collection instruments, selected samples, collected and analyzed data, and wrote reports that synthesized information from disparate sources to convey relevant findings and practical recommendations for US DHHS programs. Prepared and conducted briefings of senior government officials. Supervised and trained program analysts and interns for data collection and analysis; assumed responsibility for overseeing organization and analyses of large datasets. Participated on the work planning and national training conference committees.

Parkland Health and Hospital System, Dallas, TX

Program Manager

1998-2002

Managed the Dallas County Rape Crisis Center, the Infant Intervention Program for pregnant and postpartum substance abusing women, and the pregnant and parenting adolescent program. Engaged in program development, ongoing services evaluation, hiring and supervising staff, participating in community coalitions, developing and monitoring budget, and grant writing. Principal investigator for the “Babies First! in Dallas” evaluation, designed and implemented a random controlled trial to compare two models of home visiting with a control group that received standard pediatric care.

University of Texas at Dallas, Richardson, TX

Graduate Research Assistant

1995-1998

Temporary, graduate student position. Assisted with an NICHD-funded longitudinal study of adolescent family and peer relationships (Duane P. Buhrmester, Ph.D. Principle Investigator). Planned and coordinated research assistant training and data collection, developed measures, selected and supervised undergraduate research assistants, supervised videotaping of adolescent peer interactions, analyzed and interpreted data, and prepared research results for presentation and publication.

Independent Consultant, McKinney, TX

1995-1998

Served as the local evaluator for Dallas Healthy Start, a HRSA funded program and analyzed data and wrote the report for evaluation of the Michigan Modernization Service. Served as principal investigator for an adolescent risk behavior study funded by Planned Parenthood, and the evaluator for Youth and Family Impact Centers funded by the Family Preservation Act and a multi-agency coalition.

Dallas Child Guidance Clinic, Dallas, TX

Director of Research

1993-1994

Initiated a new research department. Assisted with design, implementation, and coordination of clinic research projects; collected and analyzed data to be used in planning, evaluation, grant writing and publications; wrote program and research grant proposals; developed evaluation protocols for programs; coordinated the quality assurance program; identified potential funding sources; and networked with the greater mental health services provider community. Position ended due to budget cuts.

Research Group on Homelessness and Poverty
State University of New York at Buffalo, Buffalo, NY
Department of Psychology, Wayne State University, Detroit, MI
PATH Research Project Director
1991-1993

Directed a National Institute of Mental Health funded longitudinal research study to follow 500 homeless adults in Buffalo, NY and 300 homeless adults in Detroit, MI (Paul Toro, Ph.D. Principle Investigator). Supervised and trained graduate and undergraduate students; developed research design and measurement instruments; monitored and planned the budget; coordinated data collection and participant follow-up; analyzed data; wrote reports; networked with agencies in the local homeless provider community; and developed grant proposals. Served as principle investigator and directed a cross-sectional, comparative study of homeless and housed adolescents in Detroit, MI.

Department of Research, Dallas County Community College District, Dallas, TX
Assistant Director
1989-1992

Provided research support to seven community colleges and the district office. Designed and implemented research projects and surveys, analyzed data, supervised staff, wrote grant proposals, and prepared reports. Secured funding from the State of Texas to conduct a statewide study of community college student tracking systems and provide technical assistance for implementation of computer-based systems. Prepared reports and presented results to Chancellor, college presidents and other officials.

Industrial Technology Institute, Ann Arbor, MI
Associate Researcher, Research Assistant
1987-1989

Reviewed and summarized academic and technical literature for a National Science Foundation funded book on technological innovation. I was lead author on the chapter on decision making and technological innovation. I also participated on a team that developed criteria for computer assisted design system adoption for major corporation, worked on a team developing a learning center concept for a major automotive corporation; and provided simulation training game for major corporations preparing for change.

Hurley Medical Center, Flint, MI
Research Coordinator, Research Associate, Oncology Project Coordinator, Research Assistant
1984-1987

Assisted the Director of Research to design and implement research projects, developed and implemented evaluation plans for a state-funded domestic violence intervention project and hearing-impaired substance abuse program, conducted needs assessments, and supervised and trained research assistants. As Oncology Project Coordinator, coordinated oncology research projects and facilitated manuscript preparation for publication, including design, implementation, data analysis and reporting.

Specialized Workshops and Courses

2022

American Evaluation Association Pre-Conference Workshop

Approaches, Frameworks, and Strategies to Evaluate Coalitions and Collaboratives

Co-developed workshop materials and co-facilitated with Ann Webb Price.

2022

American Evaluation Association Pre-Conference Workshop

Evaluating Coalitions and Collaboratives' Activities, Outcomes, an Impact.

Co-developed workshop materials and co-facilitated with Ann Webb Price.

2022

AEA Summer Institute

Community Engagement for Evaluation

Co-developed workshop materials and co-facilitated with Ann Webb Price.

2022

American Association of Suicidology Pre-Conference

Powerful Evidence: Demonstrating the Effectiveness of Suicide Prevention Initiatives

Co-developed and presented with Ann Webb Price as a pre-conference workshop.

2021, 2022

Canadian Evaluation Society

Evaluating coalitions and community collaboratives

Co-developed workshop materials and co-facilitated with Ann Webb Price.

2020

International Conference on Community Psychology

Developing and Evaluating Coalitions and Collaboratives

Co-developed and co-facilitated a one- or two-day customized workshop with Ann Webb Price. Delivered an abbreviated two-hour workshop for the ICCP.

2020

Illinois Extension Service, Champaign, IL

2019

Society for Community Research and Action Biennial Conference

Evaluating Coalitions and Collaboratives

Developed and facilitated a six-hour, customized workshop.

2018

Southern Methodist University Center for Research and Evaluation

2017, 2018, 2019, 2022

AEA Summer Institute

Evaluating Coalitions and Collaboratives

Co-developed workshop materials and co-facilitated the workshop with Ann Webb Price.

2018

American Evaluation Association eStudy

2016, 2017

AEA Summer Institute

Consulting with Communities and Nonprofits

Co-developed workshop materials and co-facilitated the workshop with Ann Webb Price. Materials included a newly developed community consulting competencies and skills development assessment.

2016, 2017

CMN Connect, Dallas TX and Fort Worth TX

Outcomes Based Program Evaluation Institute

Re-designed workshops, developed presentation and materials. Created a workbook for participants. Provided three five-hour workshops and eight hours of individual coaching to eight participating organizations per session.

2015, 2016

CNM Connect, Dallas TX

Outcomes Based Program Evaluation Certificate Workshops

Redesigned six-session workshop series, developed presentation, updated and expanded materials and created a workbook for this workshop for participants from nonprofit organizations.

2015, 2016

CNM Connect Management Certificate Program, Dallas TX and Wichita Falls, TX

Program Planning and Evaluation Workshop Redesigned this one-day workshop for nonprofit leaders. The workshop provided a framework for developing, implementing, evaluating, and sustaining new programs.

2016, 2017

CNM Connect, Dallas TX and Fort Worth TX

Introduction to Federal Grants

Designed this workshop for nonprofit leaders and staff with material that included how to prepare for the Federal grants process, how to find Federal grants, and suggestions for writing a successful proposal.

2019

Nacogdoches County Community Coalition, Nacogdoches TX

Qualitative Data Analysis Workshop

Created and facilitated a workshop to train community members to conduct qualitative data analysis and report results.

2019
Alliance for Greater Works' Women's
Alliance Executive Leadership Program
2015, 2016, 2017, 2018
CNM Connect and Southern Methodist
University Collaborative Nonprofit
Leadership Certificate Program

Change Leadership
Designed and facilitated this interactive workshop based
on the Change Intelligence Model developed by Barbara
Trautlein, Ph.D.

2015
Society for Community Research and
Action Summer Institute, Lowell MA

Coalition Development and Evaluation
Co-designed and facilitated this workshop (with Tom
Wolff) which included a simulation exercise and
information on how to develop, sustain, and evaluate
community coalitions and collaborations.

2011
Lewisville Independent School District,
Lewisville TX

Planning and Conducting Focus Groups
Developed and facilitated training for psychology interns
to conduct focus groups for data collection for the school
district.

1999
Summer Institute on Training and
Facilitation for Parent, Family, and Child
Care Professionals, Denton TX

Program Evaluation
Prepared and facilitated workshop.
