**CONNECTICUT**

of Connecticut

# In Memory of Ralph Raymond

*The 2019 USA Softball of Connecticut Hall of Fame awards dinner is dedicated to the memory of Hall of Fame member Ralph Raymond*

Ralph Raymond passed away at the age of 94 in April. A native of Worcester, MA, Ralph was a 1943 graduate of Commerce High School where he excelled in sports. He was the team captain for baseball, football and basketball and known to run track when he could fit it in. Ralph joined the U.S. Army, serving his country proudly during World War II as part of the campaigns of the Rhineland and Central Europe. He was discharged as Sergeant in 1946. He entered the University of Miami where he earned a BA in education while he captained the baseball team and was later inducted into the Hurricanes Hall of Fame.

He earned his master's degree in education from Worcester State College. In 1966 he became a physical education teacher at Doherty H.S. in Worcester where he coached baseball, football and later softball, earning several championships during the 18 years he was there.

Ralph then began a period in his life that started as a dream. During his summers off from teaching he had been coaching the Raybestos Brakettes, racking up many records and becoming one of the winningest coaches in sports history. He knew if softball were to become an Olympic, he would be prepared and ready to take the helm as head coach. His goal came to fruition when he was named the first ever Team USA Head Softball Coach for the 1996 and 2000 Olympic Games, each time winning gold. The Olympic team went on to win the Pan Am Games, in addition to seven world tournament gold medals and twenty six national tournament titles. Ralph has been inducted into nine Hall of Fames including the University of Miami, USA Olympic Hall of Fame, ASA Softball, International Softball, Massachusetts Football Coaches, City of Worcester Athletic and the Sons of Italy Lodge 168 Athletic Halls of Fame.

Ralph is survived by his wife Mary, his seven children, Michael and wife Mary, Ralph, Jr. and partner Rhonda, John and wife Antoinette, Robert and wife Dana, Mary Ann Baronoski and husband Richard, Kathy Ermilio and husband Francis (Bud), Patricia Cannon and husband Michael, thirteen grandchildren and two great granddaughters.

*The sign says it all about the home of champions in Stratford--Avco Lycoming and Textron.*

*Ed Finnegan receives the MVP plaque after leading Avco Lycoming to the ASA major industrial national championship in 1968 at Raybestos Field. Presenting the award is National ASA Hall of Famer, the late Joe Barber. Finnegan went on to also be inducted into the National ASA Hall of Fame.*

# INDUCTION PROGRAM

Cocktails - Hors D'Oeuvres

Dick Tully - Southington  
Liz Alling - New Haven  
Kevin Russo - Shelton  
John Cologgi - Bethany

Hall of Fame Banquet Program Coordinator - Hank Koritkoski

Hall of Fame Banquet Coordinator - Lisa DiLullo

Hall of Fame Publicity Director - Bill Uluski

In August 2006, the sport of softball in Connecticut became unified in honoring its past with the merging of its fast pitch and slow pitch Halls of Fame. Prior to this merger, the two entities had each separately elected and inducted members to their respective Halls of Fame. That changed with the formation of one combined Hall of Fame to be known as the Connecticut ASA Hall of Fame.

USA Softball of Connecticut commissioner Hank Koritkoski oversees the umbrella organization with the fast pitch and slow pitch committees continuing to function as separate groups in selecting candidates for the USA Softball of Connecticut Hall of Fame.

USA Softball of Connecticut stages an annual Hall of Fame dinner to formally induct its new members.

The Fast Pitch Hall of Fame was established in 1971, with the Slow Pitch Hall starting in 1985. Committees to select Hall of Famers meet frequently and accept nominations for new candidates. To be eligible for consideration, a player must be retired for 5 years or, if the player is over 50 years of age, the 5 year waiting period is waived.

For nominees, applications should be submitted to the Hall of Fame committee chairs by April 1 each year. Any individual who had an outstanding softball career in Connecticut is eligible, with emphasis on state, regional and national tournament play as one of the important criteria for Hall of Fame consideration. Applications are available on our state website.

In 2017 Connecticut ASA re-branded to USA Softball of Connecticut and officially opened its physical Hall of Fame display which is located at Erin's Gym in Stratford.

Members of the Hall of Fame Fast Pitch Class of 2018

Members of the Hall of Fame Slow Pitch Class of 2018

## Jeb Backus

Jeb started playing softball for Sonny's at the age of 16 while at Staples High School where he was a star baseball and football player. After graduation, while attending Flagler College in Florida on a baseball scholarship, he continued to play for Sonny's.

He was Flagler's starting center fielder from 1985 thru 1987, earning All District, All Region and All American honors in 1987. In 2004 he was one of the first inductees into Flagler's newly formed Athletic Hall of Fame.

During Jeb's 11 years with Sonny's (1980-1990), in addition to dominating high profile local leagues, they won five State Championships including four Class A titles from 1986-1990.

Three of those were consecutive (1988-1990), a feat which had only been done once before by Gartenhaus Cafe. Jeb pitched in all four of those championship games and went 13 for 14 while driving in 17 runs.

In 1991 Jeb joined Class A/ Major Midas Touch/ ACR/ Worth where he was the lead off hitter. He pitched for them while also playing second base and all four outfield positions. That team placed third in the 1991 Class A Nationals and earned top 15 finishes in the 1992 and 1993 Major Nationals. The 1992 squad beat the defending Major National Champion Riverside Paving.

From 1996 to 2004 Jeb played at the Over 35 (Fly Juice and Heritage Carpentry) and Class B (St. Ann's) levels where he continued to excel as both a veteran leader and a top player as he added five more State Championships to his resume with those teams.

Included in Jeb's nominating documentation were several recommendations coming from other Hall of Famers attesting to his more than adequate qualifications for induction.

Jeb finished his 25 year softball career in 2004 with a batting average exceeding .625 while earning over 900 pitching wins. His teams earned more than 40 ASA titles at the local and state levels and qualified to play in 19 National Tournaments.

Jeb is now a Head Coach for Westport Travel Baseball and Softball and is the Head JV Softball Coach at Staples High School . He also serves on the Board of Directors for Westport Little League as Director of Field Operations. He currently lives in Westport with his son Tripp and daughter Jillian.

## Ken Bruno

After graduating from the University of New Haven, where he played basketball and baseball, Ken began his fast pitch career in 1971 in Springfield, MA before joining the powerhouse Raybestos Cardinals in 1972 as their catcher. He spent five years with the Cardinals (1972-1976) and was instrumental in helping them capture Men's Fast Pitch Major National Championships at Dallas, TX in 1972 and at Allentown, PA in 1976.

A lifetime .300 hitter, Ken caught several no hitters and two perfect games with the Cardinals. He worked with Metro Szerak, Dick Norenberg, Al Lewis, Don Sidat and Rocky Marucci who were the premier pitchers of the 70's.

Also, as a Cardinal, Ken caught in several celebrity games that included sports legends with the most notable being Joe DiMaggio and Ted Williams. He described their appearances by saying "They cordially took three, shook their heads and waved to the fans. At 46'-6" they could not believe how quick the ball was on top of them, no less rising."

The Cardinals also faced the legendary Eddie Feigner with his King and His Court softball team in charity games.

Other teams that Ken shared his playing talents with were the Long Island Merchants (1974-1975) and The Poughkeepsie Brewers (1977).

Later Ken served as a softball clinician for John Stratton, the coach of the Brakettes. As a clinician he traveled to Rome, Italy in 1985 and worked for the Comm. Olympic National Italy (CONI), and the Federation of Italian Baseball/ FIBA where he helped introduce softball and baseball to the youth and adults. Working with a staff that included softball legend Donna Lopiano and baseball greats Tommy Lasorda, Joe Garagialo, Porky Vieira, Ken spent a month at their 1960 Olympic Village teaching fundamentals and certifying coaches. At that time the biggest obstacle was playing fields, since most of the fields were designed for soccer. Since then, they have formed a professional baseball league, with several modern stadiums, and competitive softball programs.

He also was an ASA District Commissioner for 20 years.

Ken now resides in Stratford with his wife Sandi. They have three children, son Ken II and daughters Tami and Jill.

## Glenn Cantin

After graduating from Crosby High School in 1970, Glenn began his softball career as a 17 year old, playing in recreational leagues in Waterbury and Naugatuck. They were fun, however he stepped up his level of competition after getting a call from Dave Zychowski of Southington.

Dave coached Supreme Lake which was one of the best teams Glenn played for. Zychowski changed Glenn's career by converting him to a pitcher.

Cantin was with Supreme Lake for two years before they broke up. He then went on to play for several high profile teams including Kasden Fuel (Ansonia) for four years, Ray's Together (Stratford) for sixteen years, New England Metal (Berlin) for three years and Champ's (Waterbury) for eight years.

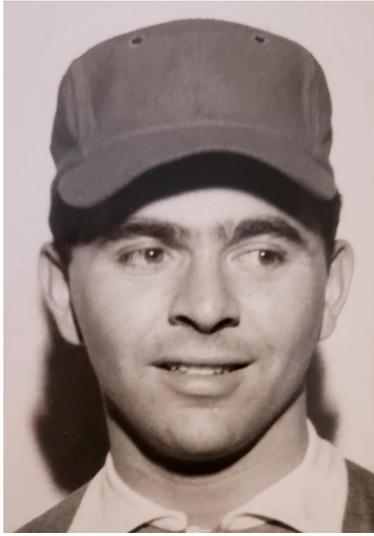

Combined those teams captured sixteen District titles and had top five finishes in the States four times including one second place. Glenn's teams went to six Nationals with their best finish coming in 1996 when they ended up tenth in a 125 team field.

Glenn earned All Tournament First Team honors as a pitcher and has won eight MVP Tournament awards and made several All Tournament teams in his lengthy career in which he has compiled a lifetime batting average of over .550.

Glenn has played in an over 50 league for twelve years and an over 60 for the past four years. During this time, he has traveled all over the country and has met many great players and made numerous friends. He has been teammates with at least fifteen Hall of Famers during his career. He loves competing and wants to thank all of the great coaches he has played for.

Glenn has also umpired women's high school fast pitch softball and men's softball in Waterbury.

Glenn lives in Thomaston with his wife Sue and his dog and best friend Lola. He has a stepson, Jimmy, who resides in Bristol.

## Ken Coviello

Ken is well known for his athletic accomplishments throughout Connecticut for both Fast Pitch and Modified Pitch softball. After high school he played amateur football for the Larry Palladino coached Highlanders. He was a quarterback and linebacker and played on several state championship teams.

In 1954 he played baseball for the Irish-American baseball team before entering the US Army the same year where he served in the Presidential Honor Guard in Fort Meyer/ Arlington Cemetery.

Ken's softball career spanned seventeen years from 1952 until 1969. He played for some of the most recognized teams in the Waterbury area. His first stop was with Ponzillo's (1952-1953). He then spent five years (1953-1957) with the Meadow Social Club and also played with Rudy's Restaurant & Joyce's Bridal Shop (1956-1958).

From 1957 until 1959 he was a member of the Golden Villa Bombers and he finished his career with a thirteen year stint with Cal's Sunoco (1957-1969). The teams he played on captured several league championships. Included were back to back Town League titles (1954-1955) and three consecutive North End League crowns (1957 thru 1959). In 1963 he was a member of Joyce's/ Franco American Club that was the Canadian Visiting Tour champions.

Ken was considered one of the most feared left handed hitters to come out of the Waterbury area. He had a very smooth and compact, yet powerful, swing that carried him to a lifetime .427 batting average and a total of 357 career home runs. Ken, along with Sonny Datele, was one of the founding fathers of the Town Plot League.

Currently residing in Waterbury, Ken is the proud father of three daughters, Lisa, Cathy and Susan and son Michael. He has eight grandchildren and one great grandchild.

## Denise Denis

Denise has spent the last 15 years playing softball for the Stratford Brakettes, retiring after the 2019 season. She is the team's All Time Home Run leader with over 130 and also holds down the number one or two spots in six other Brakette offensive categories. She has hit over .400 nine times.

Her career includes ten ASA/ WMS National Championships and thirteen ASA/ WMS National Tournament First Team selections.

She has also twice won both the home run leader Pat Dufficy Award and the batting champion Diane Schumacher Award.

For the last fifteen years Denise has instructed many Connecticut athletes in all aspects of the game. She has trained various area teams in softball and strength and conditioning including a New Canaan High School State Championship baseball team, a Darien High School State Championship softball team as well as Greenwich High School, the Connecticut Seahawks, the Fairfield Fury and the Westport Wreckers. She was also an assistant coach at Yale University and Quinnipiac University.

Denise currently resides in Trumbull.

## Bob Domkowski

Bob spent his entire fourteen year softball career (1973-1986) with Dorber Graphics out of Milford/ Bethel. And quite a career it was.

As a second and third baseman and in the outfield, he and his Dorber teammates played in twelve ASA Connecticut State Fast Pitch Tournaments. They captured the State Major Championship in both 1977 and 1980 and took home the Class A crown in 1979 and 1982. Dorber also participated in six New England Regionals.

Dorber captured six championships in the prestigious Housatonic Fast Pitch League and nineteen more in invitational and league tournaments.

A lifetime .330 plus hitter who hit 50 home runs, Bob was named the Dorber offensive player of the year three times. He was the 1983 team MVP and made the Housatonic League All Star team in 1976, 1977 and 1979. He was the 1979 Class A tournament MVP where he drove in the winning run in extra innings of the semi-final game and then launched two home runs, driving in three runs for a 5-2 win in the championship game

In addition to his playing contributions, Bob also serves as an assistant head coach, equipment manager and the team's co-yearbook publisher. He also was a key participant in Dorber's fund raising activities in support of community organizations.

Bob now makes his home in Milford.

## Wister Falcon

Wister enjoyed a pitching career that spanned four decades in which he displayed his talents in both the Fast Pitch and Modified versions of the game.

Camuy was Wister's first stop from 1959 to 1966 in the Fast Pitch game in the old Housatonic League. He then went to the Tigers from 1966 to 1969, also in the Housatonic League, before moving to Utado for the 1970 season. He joined another Housatonic League team, Crown Budget Market, for the 1972 and 1973 seasons. In between all of this he played modified for Louis Lopez with Pollulo's (1973-1983) in the Borinquen Modified League in Bridgeport.

Wister hurled for Iwaniki Construction 1973-1974 in the Housatonic League. He played one year (1975) for St Vincent's and won a State Championship for legendary manager George Howser.

Appearing in a total of eight State Tournaments, Wister also racked up eight Borquien League crowns with Hall of Fame catcher Jack Halkavic being on the receiving end of his pitches.

Wister then became an ASA umpire until 2015 when he retired from officiating both Modified and Slow Pitch softball in Bridgeport, Stratford and Trumbull. Stratford is where Wister calls home.

## Hirsh Freeman

In a career that spanned 52 years, Hirsh's pitching capabilities were considered by many to be in the same category as current Hall of Famers Al Kaczinski and Tony Urban.

Hirsh launched his half century on the mound in 1960 with Celeste. He spent eleven years with them and was a part of that team's 1969 City Champions.

From 1970 until 1980, Hirsh was a member of Ma Burns and McBride's before joining San Val. He helped that squad capture the 1983 Bridgeport Spanish League championship.

In 1990 he began an eleven year journey with

Action Auto and Park Deville. During these eleven years, he helped the team earn the 1991 Polowski League championship and consecutive Meriden Marlin Salsa League crowns in 1993 and 1994. He would also make the first two of six appearances in the ASA National Class A Tournament in 1996 and 1998.

The turn of the century saw Hirsh add several more championships to his resume before he hung up the spikes in 2012.

In 2002 Hirsh and his P Sam teammates captured the Connecticut ASA Fast Pitch championship. He earned the MVP of the 2003 Keene New Hampshire Invitational Tournament as he led his team to the tourney championship.

Hirsh made four more trips to the ASA National Tournament in 2001, 2002, 2004 and 2006 while pitching his teams to five Prospect League championships and four Southbury League crowns.

In addition to the aforementioned leagues, he played in the Town Plot League, the Brass City League as well as leagues in Bridgeport, Waterbury and Thomaston.

Hirsh now resides in Oakville, CT.

## Deborah Frouge

After graduating in 1974 from Bunnell High School, where she played basketball and volleyball, Deborah began her Hall of Fame softball career in Stratford recreational leagues.

In 1976 Deborah played a big part in organizing the Bridgeport Women's Industrial League in which she played as a member of the Acco softball team from 1976 until 1979. Other big name teams in the league included Raybesto's, Sikorsky, Avco and SNET.

Playing locally with Our Place Antiques in the Fairfield league and Wellington International in the Milford league, Deborah then began amassing a long list of appearances on the State, Regional and National stage when she joined

Stone Wall of Milford in 1991.

In 1994 that Stone Wall squad captured the State Championship. It went on to play in the New England Regionals in Portland, ME and the 79 team Nationals in St. Augustine's, FL.

1995 saw Deborah move on to Malarchie's in the Naugatuck Valley and help that team earn two straight State Championships in 1995 and 1996 and qualify for the Nationals. The 1997 team finished second in the States but captured the New England Regionals.

Deborah continued adding State, Regional and National appearances to her resume in the late 90's right up until recently when she played in the Women's Seniors Nationals in 2017. She has totaled over ten trips to both the States and Nationals not only in the Women's game but also Co-ed. Included in those numbers were six State Championships, three New England Regional crowns and a third place finish in the 2007 Co-ed Nationals with 7 Seas/ Merrill-Lynch.

Boasting a lifetime batting average of over .600, Deborah was primarily an outfielder while also playing first base and catcher and then, later in her career, adding second base to her repertoire. She played in the Milford Women's and Co-ed Tournament divisions as well as the Westport, Shelton, Waterbury and Bridgeport Co-ed leagues. She is currently serving on the Bridgeport Co-ed League Board of Directors where she is serving as Acting Director.

Deborah is now playing Senior Softball with Nor-Easters AAA 60-65.

In addition to the numerous talented players she was teammates with, Deborah also wanted to acknowledge the great coaches she had: Bill Damiani, Andrew Montague, Dwayne Watts, Red Clynych and Anne DiPrima.

## John Griskewicz

In 1977 John secured the sponsorship of his family's business, recruited many of his high school and local friends and formed the PCM softball team. In an era when there were diminishing numbers of men's fast pitch softball teams, John was busy trying to promote Connecticut ASA fast pitch softball.

Under John's management, PCM played in many Connecticut fast pitch leagues including the Windsor League, West Hartford League, the Insurance League, New Britain Church League and the Connecticut Fast Pitch League. John managed PCM for ten years (1977-1986) and made the Connecticut ASA State Tournament eight times. They also participated in numerous other New England area tournaments including the Jim French Tournament in Groton, the Dalton Recreation Center Tournament in Dalton, MA, the Brockton, MA Tournament and the Bethel, CT Exchange Club Tournament.

Despite being composed of local players, the team competed strongly with teams that had many premier players from throughout New England. They represented Connecticut ASA well through their friendliness, competitiveness and, most of all, sportsmanship. Rival teams enjoyed playing on the same diamond as them as they were all gentlemen. Under John's guidance, PCM was indeed an 'Ambassador' of the game.

John now makes his home in Bloomfield.

## Joe Keenan

After starring and earning letters in basketball, baseball and track at Ansonia High School, Joe began his 18 year softball career in the Naugatuck Valley. During this time, he played a key role in the success of many teams with the two most notable being the Magicians A.C. of Ansonia (12 years) and Preston Machine (12 years).

Joe was an infielder by trade but played several positions (mostly shortstop for the Magicians and third base for Preston Machine).

As a key member of the Preston Machine team, Joe helped the team win State Championships in 1972, 1975, 1977 and 1982. Preston also participated in ASA State Tournaments in 1974, 1978, 1979 and 1980 and 1982 and in ASA Regional Tournaments in 1972, 1973, 1975, 1977 (1st place) and 1982 (3rd place).

Last, but definitely not least, Preston played in two ASA National Tournaments in Cleveland (1972) where they finished fourth and Jacksonville (1975) where they finished sixth. In both those years, Joe earned a spot on the All Tournament team.

Joe's career statistics include a .560 batting average with over 300 home runs. His strong athletic background allowed him to star not only in softball but also on several Valley Basketball Leagues for many years.

After his active playing days were over, Joe went on to coach girls softball in Ansonia. He led two of these teams into National Championship Tournaments in Florida and Las Vegas.

Since his retirement, Joe now lives in St Petersburg, Florida. He is the father of eight children, two of whom are deceased. His other children are Blaize Keenan (West Palm Beach, FL), Naomi Keenan (Las Vegas), Todd Keenan and Kenny Keenan (both in Atlanta), Jerome Doughty (Las Vegas) and Morgan Johnson (New Haven).

## David Manente

David started his softball career right out of high school in the early 80s. He played in local Stratford ASA leagues with the Stonybrook Raiders and Windmill Restaurant along with any tournaments that came his way.

In the mid 80's, David got his first taste of ASA sectional softball with Arno Construction and Huntington Inn Ollie Pops of Bridgeport.

Then, in 1988, David joined the legendary powerhouse Midas Touch Jewelers out of Fairfield. During his nine year (1988-1996) stay there, that team won a Class A New England Regional, a Class A State title and a Major Division State title.

1998 saw David move over to another state power, Ray's Together. His two years with Ray's yielded a Class B State championship. He duplicated that feat as a member of Steve's Sports from 2000 to 2002.

David later contributed to the success of two more teams, Latella's and Connecticut Sportsplex.

While playing in ten State tournaments, five Regionals (with one championship) and six Nationals, he earned one Tournament MVP Award and a pair of All Tournament Team selections.

Primarily he played the corner infield positions (he was known for a great arm) while also catching and pitching. He was a power hitter who collected over 950 home runs while maintaining a lifetime .600 batting average.

While his numbers alone make him Hall of Fame worthy, former teammates as well as opponents praised him for his sportsmanship and respect for his opponents.

David now lives in Seymour with his wife Christine and son Daniel. He coached for a few years and enjoyed giving back to the game. He is thankful for all the sacrifice and support of his daughters Kristina and Briana as well.

## Tim Roussin

Tim, or Froggie as he is more popularly known, has dedicated most of his life to USA Slow Pitch Softball. He started as a player at the age of 21 in the Meriden Amateur Softball Association. In just his second season he was asked to play for the tournament “C” Team, Advanced Moving. It is all history since then, and he has made plenty of it!

Tim began his managerial career in 2000 as a 30 year old player/coach with the Falcigno Group, a team that won the New Haven Sectional in its first year. He then became a full-time coach with Jemar, leading them to a pair of New Haven District titles in 2006 and 2009.

Roussin managed teams won 8 National Qualifier Championships from 2005 – 2018, with a 56-8 record over the span. Those teams also won 8 New Haven District Titles from 2000-2016. The teams include Falcigno, Maplewood (twice), Jemar (twice), Shirt Graphix, Primetime and Demars. His record in the New Haven Districts is 81-16.

After guiding Jemar to State Championships in 2004 and 2008, he then bolstered his managerial resume by leading the Dirt Dogs to four straight State Titles (2016-2019). His overall record in State Tournament play is 76-27.

Roussin led teams have been to 16 straight National Tournaments, compiling five top ten finishes with an overall record of 54-29. Highlighting all those trips were National Championships by the Dirt Dogs, first in 2017 in Class D, and then, after being bumped up, another title, this time in Class C in 2018.

Winning back to back championships at different levels has only been done one other time. Tim is proud of the accomplishment but simply says “I just sit back and watch the guys do their thing. I make sure I put the guys in the right position and situation to help the team win.”

While Tim is well respected by the softball community for his coaching acumen and his ability to recruit the right kind of players to fit in with his managing philosophy, he is also known for his “Froggie Freeze” psychological tool in which he calls “Time”, walks to the mound, taking his sweet time before being hustled off the field by the umpire.

Tim’s proudest accomplishment was volunteering as a Special Olympics umpire for four years until he injured his knee. This was something he loved doing and would still be doing to this day if he could.

## Ron Vargas

Thirty six years and still going. That describes the impressive umpiring career of Ron Vargas. Beginning in 1983, Ron started to hone his officiating skills by umpiring both men's and women's slow pitch softball in the Willimantic area.

His skills advanced quickly to the point that he earned the honor of umpiring in nine ASA State Tournaments including five championship games. He has also officiated in six New England Men's Major and Class A Slow Pitch Regional Tournaments.

Ron has umpired in six State Modified Pitch Tournaments including five championship games.

He has also done a Women's National Fast Pitch Tournament and a Women's Major Modified event.

Ron has put in thirty years as an NCAA umpire at all the Divisions (I, II and III). He has officiated in fourteen NCAA Regional Tournaments, four Super Regionals as well as twenty four NCAA Conference Tournaments including nineteen conference championship contests.

He has also found time to be a CIAC umpire for thirty five years where he has done twenty four State Tournaments including twenty one finals.

As was said at the beginning, Ron is still active, participating in many clinics each year and mentoring new umpires.

He was the 2019 recipient of the High School Coaches Association "Umpire of the Year".

Ron now calls Danielson home.

## Bob Wilcox

Bob spent his ten-year career playing first base for some of the best Modified Pitch teams in Waterbury.

Domar's Warriors was Bob's first stop. Beginning in 1979, he spent seven years with the Warriors. He helped them capture the Danielson Tournament Championship in both 1982 and 1983, the Worcester Tournament crown in 1984 and reach the Modified Pitch Nationals in Austin, MN in 1983.

In 1986, Bob played with Allyn's Cleaners. That team captured the Connecticut Modified Pitch State Championship and went on to place ninth in the Nationals in Spokane, WA. Bob achieved some personal accolades as he earned second team All American for the tournament.

1987 saw Bob join Callahan's Warriors for two seasons. The 1988 team won the State Modified Pitch Championship and qualified for the Nationals in Marietta, GA.

While maintaining a lifetime .371 batting average, including .425 in State Tournament play, and .500 in National Tournament play, Bob also belted 162 home runs and was a member of four different city league championships including Town Plot, Waterbury Night League, and Waterbury League.

He is the Warrior's all-time home run leader and was an outstanding defensive first baseman for the Warriors.

After hanging up his playing spikes he donned the umpire blue and was a respected member of the Valley Umpires Association from 1990-1998. While there he helped co-found the group's Better Officiating Committee.

Bob was also a proud dues paying member and Secretary for the CT Fast Pitch

Association from 2015-2018 and was instrumental in the growth of the USA CT Fast Pitch banquet as we know it today.

Bob now makes Milford his home.
