In August 2006, the sport of softball in Connecticut became unified in honoring its past with the merging of its fast pitch and slow pitch Halls of Fame. Prior to this merger, the two entities had each separately elected and inducted members to their respective Halls of Fame. That changed with the formation of one combined Hall of Fame to be known as the Connecticut ASA Hall of Fame.

USA Softball of Connecticut commissioner Hank Koritkoski oversees the umbrella organization with the fast pitch and slow pitch committees continuing to function as separate groups in selecting candidates for the USA Softball of Connecticut Hall of Fame.

USA Softball of Connecticut stages an annual Hall of Fame dinner to formally induct its new members.

The Fast Pitch Hall of Fame was established in 1971, with the Slow Pitch Hall starting in 1985. Committees to select Hall of Famers meet frequently and accept nominations for new candidates. To be eligible for consideration, a player must be retired for 5 years or, if the player is over 50 years of age, the 5 year waiting period is waived.

For nominees, applications should be submitted to the Hall of Fame committee chairs by April 1 each year. Any individual who had an outstanding softball career in Connecticut is eligible, with emphasis on state, regional and national tournament play as one of the important criteria for Hall of Fame consideration. Applications are available on our state website.

In 2017 Connecticut ASA re-branded to USA Softball of Connecticut and officially opened its physical Hall of Fame display which is located at Erin's Gym in Stratford.

Members of the Hall of Fame Fast Pitch Class of 2023

Members of the Hall of Fame Slow Pitch Class of 2023

Kathy Arendsen

Early on Kathy established her Hall of Fame credentials as she pitched her Holland Christian High School team to the 1976 Michigan Class B State Championship.

That success continued at the collegiate level as her Texas Woman's University squad captured the 1979 AIAW College World Series before she hurled Chico State University to the AIAW Division 3 College World Series title in 1980.

While still in college, Kathy joined the Raybestos Brakettes in 1978 for, what would prove to be, a long and illustrious 15 year career.

During her tenure with them, the Brakettes captured nine ASA National Championships.

Kathy represented the country honorably with the USA National Softball team. They won the ISF World Championship three times. The first came in 1978 in San Salvador, El Salvador. The second was in 1986 in Auckland, New Zealand where Kathy won the Outstanding Pitcher award. And the third was in 1990 in Normal, IL.

The National team also won the 1979 Pan American Games in San Juan, Puerto Rico. Kathy had the honor of being the flag bearer in the closing ceremony. They had a runner up finish in the 1983 Pan Am Games in Caracas, Venezuela.

Following are the awards and achievements this amazing athlete earned.

Dick had a fifteen year modified softball pitching career and, in fourteen of those years, his team qualified for the State Tournament. Quite an accomplishment.

From 1983 until 1986 he hurled for Skider's Gym. He racked up a 25-3 record his first year with Skider's. That 1983 squad won the first of three consecutive Connecticut State Modified Championships and also qualified for the Nationals in Austin, MN.

While compiling some impressive playing statistics, Dick also was an outstanding coach.

For 31 years he led the varsity softball program at Shepaug Valley High School.

His 452-162 coaching record, which was the fifth highest win total in Connecticut at the time of his retirement, was highlighted by State Championships in 1978 and 1992.

Dick was chosen the 1990 Connecticut High School Coach of the Year.

He was co-founder of the Shepaug Softball Little League for Region 12 towns.

Dick makes his home in Plymouth, CT.

Jon Brandt

Launching his 25 year Hall of Fame worthy softball journey in 1988 in Hartford area league play, Jon got his first taste of success beyond the local level in 1990 when his Heavenly Hog/Pagani Caterers team finished second in the Eastern Class B Sectionals and qualified for the State Tournament.

He joined B & G Lounge & Pierce Construction in 1991. In each of his four years there the team produced a top three finish in the Eastern Class B Sectionals plus a trip to the State Tournament in 1993.

1995 saw Jon switch allegiance to Steele Wheels/Kahoot's/Wish's. In his six years there, they captured the Eastern Class B Sectional title five times and made the States each year, winning the Class B Title in 1995 which earned them a trip to the Nationals. They also racked up four other top four State Tourney finishes and earned berths in both the 1996 and the 1998 Regionals, the latter producing a second place finish.

They made trips to the National Tournament in 1997 (13th place), 1998 and 1999 in addition to participating in National Qualifiers in 1996 and 1997 (2nd place). 2001 saw Jon join National Gold/ Team Demarini. In 2004 Jon helped Monaco Ford achieve a third place finish in the Class C States before joining Giant Glass in 2005 when they placed ninth in the Class B Nationals. Jon also enjoyed success at the Major level. He was with TPS/Checking/Starr when they captured the 1995 Louisville Slugger Tourney.

In 1996 he latched on with Midas Touch Jewelers when they earned a fourth place finish in the Major National, winning six straight after losing their opening game. Overall he was part of over 20 regular season league and playoff title teams and contributed to numerous other tourney title runs by his teams throughout the Northeast.

Jon compiled a lifetime batting average of over .700 with 500 plus home runs. An outstanding defensive pitcher, he amassed over 800 mound wins in tournament play.

National title each of those years with Barbara on board.

She was on the teams that captured the 1974 World Championship in Stratford and the 1978 World Championship in San Salvador, El Salvador.

Barbara caught for five ASA Hall of Fame pitchers: Joan Joyce, Donna Lopiano, Diane Schumacher, Kathy Arendsen and Barbara Reinalda.

She resides on a farm in Milford that has been in her family for generations.

Michael Fanara

For many years, baseball was big in Michael's life. He competed at the collegiate level for the University of New Haven.

Upon leaving college, softball opened up another opportunity of competitive play for Michael. He said that he was thankful for the many teammates he had over the years that allowed his different teams to win countless tournaments and travel the country.

Launching his Hall of Fame softball career in 1994, which is still continuing today, Michael has displayed his talents for some of the best teams in Connecticut: East Coast Security, Latella's,

Cable Systems, Connecticut Sportsplex, Steve's Sports and Ray's Together.

A very versatile inductee.

Dave makes his home in Cromwell.

Mike “King” Piroh

Mike was a ball boy and eventually the official scorekeeper at the famous Raybestos Field in Stratford during its heyday in the late 70's and 80's which inspired him to go onto his amazing softball journey.

Beginning in 1987 and still continuing today, he has been part of several of the state's top teams over the last 30 plus years, contributing to their success beyond the local level.

The 90's had Mike being a member of the 1993 Connecticut Class A State Tournament runner-up team that also played in the New England Regionals.

In 1996 he helped Keystone Construction finish fifth out of 117 teams in the Class B Nationals.

During the stretch from 2000 to 2005, his Steve's Sports squad won the 2000 Class C Central Sectionals, captured four Class C State titles (2000, 2002, 2004, 2005), in addition to a runner-up spot in 2001, and a fifth place finish in the 2002 Nationals in Montgomery, AL in a 100 team tourney.

That same time period saw him with Ray's Softball as they won consecutive Over 35 State Championships in 2004 and 2005.

In 2013 he helped King's Court capture the Class D Sectionals. They repeated that feat in 2014 before finishing second in the State Tournament and then going on to finish first out of 67 teams in that year's Class D Eastern Nationals.

After 2019 and 2020 produced both back to back Wood Bat State Championships and Over 40 National runners-up for Mike, he and his Steve's Sports teammates captured the National Over 50 Major crown in 2022.

“King” also played two seasons with perennial powerhouse CheckKing.

He is a lifetime .650 hitter with over 500 home runs. Early on he played right centerfield before transforming into an outstanding fielding first baseman in his later years.

In Steve's Sports 2002 great run in the Nationals, Mike made the All American team and was the National Home Run Champion with eight round trippers. For his career he's earned a dozen All Tournament team honors.

For almost the last twenty years, while still playing, Mike has also sponsored and coached teams.

He has been a Social Studies teacher at Bunnell High School for the last 27 years along with coaching baseball and soccer.

Mike continues to play in the Senior Over 50 division with Steve's Sports. One of the major reasons he looks forward to each season is enjoying the friendships and the camaraderie between players.

“King” now resides in Milford with his girlfriend Deb.

Bob Rome

After launching his Hall of Fame softball career in 1982, Bob manned the shortstop position for some of the top Milford and state teams for the next 35 years.

Seven Seas (1982) and Bobby V's (1983) were his first stops before he began a twelve year stint with perennial powerhouse Devon News/Milford Seafood/ Time Out (1984-1995).

Bob moved on to Knickerbockers in 1996, Davco in 1997 and Merrill Lynch (1998-1999). In 2000 he began play in Over 35 leagues, advancing to Over 40 and Over 50 play before hanging up his glove and spikes in 2017.

All told he played in 19 Connecticut State Tournaments, 10 New England Regionals and 6 Nationals. His teams also won 12 Milford City titles.

A lifetime .575-.600 hitter who also hit approximately 525 home runs, Bob won six Tournament MVP's and made an All Tournament team in Burlington, NC.

Impressive as all his on the field accomplishments were, his workings behind the scene were equally admirable.

Bob was the team leader at designing and advancing a "vision" that Foote Field in Milford be modified from a recreational field to an official ASA tournament facility – fencing, lights, paved lots. The field was completed in 2020 and Bob was the Milford point-person from start to finish.

He also is a volunteer umpire for the annual Devon News Early Bird Tournament and is a participant in the annual Easter Seals and Heart Association tournaments. True to his softball resume and to the contributions he has made to the game, Bob makes his home in Milford.

Don Stokes

From 1986 until 2004 Don Stokes was one of the top modified pitchers in the state.

For the first fifteen years of his career he hurled for Jake's Auto Body/ Lithuanian Club. During that time span they garnered five Connecticut Modified State Championships, including four consecutive, and added three runner up finishes. They placed second twice in New England Regional Tournaments, once in Vermont and once in Maine, and had a fourth place finish in a 10 Man Modified National Tourney in Meadville, PA.

Jake's Auto Body/ Lithuanian Club also traveled to Spokane, WA, Atlanta, GA and Coral Gables, FL for National Modified Tournaments in addition to other high profile tourneys throughout the Northeast.

They captured innumerable league titles in Waterbury, Watertown, Thomaston, Prospect, Torrington and the Bridgeport Salsa League.

Don had a remarkable 41-4 State Tournament pitching record. He won over 20 games every year for 14 years for Jakes /Lit Club and totaled 291 wins.

He completed his career with Townplot Spirit Shop (2001-2004), adding two more state titles to his resume.

Don finished with a lifetime batting average of .405 while, in addition to being on the mound, also playing first base and DHing.

He now resides in Waterbury..

Ralph Vittorio

Ralph played sixteen years of ASA fast pitch softball with two teams.

He launched his career in 1970 with Blanchette Sporting Goods out of Shelton, spending three years with them and being a contributor to their capturing the 1972 Housatonic Fast Pitch League championship.

In 1973 Ralph joined Dorber Graphics from Milford. As an assistant coach and a top-of-the-order contact hitter, he helped lead Dorber to five Connecticut ASA Fast Pitch State Championships, five Housatonic Fast Pitch League titles and one Plainville Connecticut

State Fast Pitch League crown before retiring after the 1986 season.

Ralph's overall batting average while playing against the top competition on the East Coast from Pennsylvania to New Hampshire for Dorber was .345. Ralph also rose to the occasion against better pitching as illustrated by compiling a .400 average in the combined six Northeast Regional Tournaments that he played in.

With Ralph in the lineup, Dorber won one Jim French Memorial Day Tournament in Groton, CT, two Dalton, MA CRA Tournament championships and additional tournaments in Nutley, NJ, Keene, NH, and Lewisboro, NY.

Although Dorber finished second in the 1979 Philadelphia 4th of July City Tournament, Ralph was named Tournament MVP. He was also named to the Housatonic Fast Pitch League All-Star Team in multiple years.

Ralph was a standout defensively as Dorber's regular left fielder. When required he also adroitly served as catcher and at first base.

From 1970 until 1974 Ralph played on league championship ASA slow pitch teams in the Bridgeport Industrial League (Warnaco, Inc.), the Milford Sunday Evening Slow Pitch League (Dixie Farm) and in Valley leagues with Blanchette's Sporting Goods.

Ralph passed away in 2017.

Bill Uluski

Having authored over 100 Hall of Fame bios and coordinated several others with inductees who composed their own, I now have the task of writing my own which is a different and somewhat difficult experience.

First of all I am honored to be a recipient of the Bernie Iassogna Award which is presented to an individual who has contributed to the game of slow pitch other than as a player.

When I began playing in 1966 with a team whose name is lost in history, St. Tony's Tigers, the Hall of Fame didn't exist. And, even if it did, it wouldn't have entered my mind.

I played the game (average rec player at best). For fifteen years I coached Teledyne/ B & M Variety, a competitive recreational team in the Valley.

During that same time period I began a 45 year span of doing game writeups and publicity for Valley leagues and was the Valley Independent League's Commissioner for twelve years.

In 1992 I "upped" my game. Hall of Famer John Reilly put together a bunch of talented young players, including my son, and asked me to assist. They won the Central Sectionals that first year, finished in the top five in the States and qualified for the New England Regionals. They added four more Sectional titles, three more Regional trips and a National in 1996 where they finished 13th out of 132 teams. Tail Gator's was my next and final stop on the playing field in 1999. With them I got to experience two more trips to a National.

Then, in 2004, our Valley ASA Commissioner, Jim Carey, asked me to be his Assistant Commissioner. Jim was one of the most respected individuals I knew, not only in the softball and sports world, but in real life. So to say I was extremely honored would be an understatement.

Jim was the founding father of the Wood Bat State Tournament in 2008. He turned the tournament over to me in 2009 and I ran it until 2019.

In 2013 Jim brought me along to a Hall of Fame meeting. That same year Tom Chiappetta stepped down as the Hall of Fame Publicity Director which opened the door for me to do what I enjoy doing, being an advocate and proponent for the game and its people.

Ansonia has been by life long home town where I live with Betty, my wife of 56 years. We are the proud parents of son Brian (wife Debbie), daughter Robin (husband Rich) and grandparents of Marisa, Meghan, Sara, Olivia and Gabriella.
